

EARLY YEARS CALD Outreach Service

The Greater Shepparton City Council's Early Years CALD Outreach Officer works with families to support the transition of culturally and linguistically diverse (CALD) children into early years services and primary schools.

This role focuses on encouraging participation in kindergarten and promoting regular attendance, while also emphasising the value of early childhood education to families.

The Early Years CALD Outreach officer can assist with:

- Registration and enrolment of CALD children in kindergarten
- Accessing early years services in Greater Shepparton including Maternal and Child Health, immunisation, playgroups and multicultural story time sessions
- Transition from kindergarten to primary school
- Advocating for families within the Early Years services
