

Community Matching Grants Round Two – 2021/22

Recommended for Funding

Applicant	Grant details	Amount requested (GST Free)	Amount awarded (GST Free)	Review Panel Notes
Shepparton Croquet Club Incorporated	PURCHASE & INSTALLATION OF CCTV CAMERAS Supply and installation of CCTV cameras to increase public and member safety.	\$2,756.00	\$2,505.00	This application has a range of safety benefits for both the community and the applicant.
Astronomical Society of Victoria (Shepparton Branch)	PURCHASE OF TELESCOPES FOR COMMUNITY USE Three telescopes will be purchased and made available for loan and use to people residing within the Greater Shepparton.	\$1923.74	\$1923.74	The project provides community members with the opportunity to learn about, explore and develop a passion for astronomy with the use of appropriate equipment, support and advice. Letters of support demonstrate the need for the equipment within the community.
Primary Care Connect	COMMUNITY GARDEN SPACE The Community Garden Space project involves the development and reinstatement of a community garden at Primary Care Connect.	\$3,000.00	\$3,000.00	This is an inclusive community project that provides an opportunity for revitalisation of a space within the CBD.
Shepparton Region Reconciliation Group	RECONCILIATION WEEK EVENT Shepparton Region Reconciliation Group in partnership with the local Aboriginal community group, Wulumbarra, plans to hold an event at Kaieltheban Park during Reconciliation Week.	\$5,000.00	\$5,000.00	This project aligns with Councils Reconciliation Action Plan, is inclusive of all, educational and will bring the community together in the name of Reconciliation.
Kialla Golf Club	PURCHASE OF SPRAY UNIT SPREADER Kialla Golf Course is maintained by a group of volunteers. A replacement spray unit is required as the current piece of equipment is beyond repair.	\$4,827.00	\$4,827.00	This application is addressing a need that is required for the ongoing maintenance requirements of a club run entirely by volunteers.
Know Your Rights – Point of Difference	WINYARRS' WEAVING CIRCLE The Winyarrs' Weaving Circle is a project initiated by local artist Tammy Lee Atkinson. The project is a chance for women of all ages and cultural backgrounds to gather to learn the ancient art of weaving, to yarn, and to understand more about First Nations culture and issues.	\$5,000.00	\$5,000.00	The project is in line with Council's Reconciliation Action Plan. The project is open to women of all cultures and the need has been demonstrated through a successful pilot project.
	TOTAL	\$22,506.74	\$22,255.74	

Community Matching Grants Round Two – 2021/22

Not Recommended for Funding

Applicant	Grant details	Amount requested (GST Free)	Amount awarded (GST Free)	Review Panel Notes
Seven Creeks Community Plan	COMMUNITY DECALS PROJECT The proposed project sought funding to design and install footpath decals to convey brief information on the biodiversity of the Seven Creeks Estate.	\$1,1815.00	NIL	The assessment panel did not support this project. The panel felt the project concept was good but lacked consultation with key partners as required under the criteria. Feedback will be provided to the applying group and they will be encouraged to refine their application to reapply in the next round.
Goulburn Valley Seniors Association	DINNER DANCE A dinner dance for members of the GV Seniors Association to celebrate their one-year anniversary.	\$5,000.000	NIL	The assessment panel did not support this project. The application is for a private function and does not fit the criteria of the grant guidelines.
