Annual Report

2012 - 2013

VISION

Greater Shepparton, Greater Future.

As the Food Bowl of Australia, our vision is to create a sustainable, innovative and diverse community.

VALUES

Contents

Traditional Owners

We, the Greater Shepparton City Council, acknowledge the traditional owners of the land which now comprises Greater Shepparton.

We pay respect to their tribal elders, we celebrate their continuing culture and we acknowledge the memory of their ancestors.

Welcome

Welcome

Welcome to the 2012 – 2013 Annual Report of Greater Shepparton City Council. This report provides a comprehensive account of Council's achievements, challenges and aspirations for the future.

The report details our performance against our commitments as set out in the Council Plan 2009 – 2013 and provides an analysis of our financial performance. This report also demonstrates the breadth of our operations and the diversity of services delivered on a daily basis to the Greater Shepparton community. We hope you enjoy reading about the 2012 – 2013 year and we thank our community for the continued support and direction.

Why we have an Annual Report

The *Victorian Local Government Act 1989* requires all councils to present an Annual Report to the Minister by 30 September each year.

Importantly, the Annual Report provides an account of our performance to our community. It details our achievements against commitments and our performance against stipulated measures. It also provides an account of our financial management over the past year.

The Annual Report is also an opportunity to acknowledge all the great things that have been happening across the municipality and note the challenges that have marked the year.

Reading the Report

The Annual Report comprises four main sections.

The first section provides an overview of who we are as an organisation and community.

The main body of the report details our performance, achievements and challenges detail against our five strategic objectives, as well as and where we are headed in the future.

Our strategic objectives are:

- 
Settlement and Housing
 Council is committed to growth in a consolidated and sustainable development framework.
- 
Community Life
 Council will enhance social connectedness, physical and mental health and wellbeing, education and participatory opportunities in order to improve liveability and a greater range of community services.
- 
Environment
 Council will conserve and enhance significant, natural, environmental and cultural heritage.
- 
Economic Development
 Council will promote economic growth, business development and diversification, with a focus on strengthening the agricultural industry.
- 
Infrastructure
 Council will provide urban and rural infrastructure to enhance the performance of the municipality and facilitate growth.
- 
Council Organisation and Management
 Council will deliver best practice management, governance, administrative and financial systems that support the delivery of council programs to the community of Greater Shepparton.

Section three of the report details Council's compliance with governance requirements, while the final section provides a detailed account of our financial performance, how the budget was developed and executed.

Report Theme

For Council 2012 – 2013 was a year of significant review and redevelopment. Following the appointment of CEO Gavin Cator it was identified that Greater Shepparton City Council, although it was a well-run organisation, required a major operational review if the organisation was to achieve its full potential and undertake a best practice approach to governance and provision of services for the community.

The major objective of the review was to identify where the organisation could improve its performance and sustainability through:

- Increased ownership and alignment to the Council Plan;
- Increased operating efficiency in service delivery;
- Inform the Service Planning process; and
- Efficient deployment and ownership of assets.

This journey of continuous improvement would be known as "Good to Great". The 2012 – 2013 Annual Report captures this journey, the processes, the challenges and the outcomes.

Mayor's Message

It is a great honour to serve the community as the present Mayor and I would like to thank the previous and current Councillors for their commitment in driving a strong vision for a sustainable, innovative and prosperous Greater Shepparton.

This Annual Report marks the final year of the implementation of the 2009-2013 Council Plan. It has been very rewarding to experience the growth and development of our people and community as a result of Council Plan activities.

The 2012/2013 year has continued to see significant achievements being made to enhance the wellbeing of our community, and the Annual Report provides an opportunity to reflect on the successes and challenges of the past year and to look toward the future.

In terms of the community's wellbeing we are pleased to say that the Safer City Strategy has led to stronger working relationships with a number of partners on a number of different projects including the Street Rider late night bus service. The Safe City Camera Project is also well underway with funding received to support the camera rollout.

Council was also proud to endorse the Universal Access and Inclusion Plan which sets out Council's objectives in providing and improving accessibility, infrastructure, support and services to meet the needs of people who experience barriers to access or inclusion both within Council and the broader community.

A particular highlight has been the work undertaken with our regional towns in the last 12 months. Council has endorsed a total of 10 Community Plans and we are currently working with the Congupna community to develop a plan that specially meets their needs.

A total of 13 projects were funded via the 2012/2013 Community Matching Grants Scheme to the value of \$24,171.40. It is always very rewarding when we can support community organisations to undertake activities that encourage community involvement and creating a sense of community pride. This financial year we have supported the Dookie Men's Shed, a Monster Garage Sale at the Tatura Community House and the Tatura Rotary Community Art Show Nursing Home Day.

CEO's Message

It's been an extremely busy 12 months as Greater Shepparton City Council has worked to bring the Council Plan 2009-2013 to completion, finalising a four-year program to achieve the community's vision of a Greater Shepparton. While implementing the final stages of the 2009-2013 Plan, Council commenced an extensive community engagement program in gathering ideas and data to inform the development of the Council Plan for 2013-2017. This community consultation was also occurring at a time when Council was undertaking a significant organisational transformation.

This Annual Report provides the opportunity for Council to demonstrate the achievement of outcomes and how there is a strategic approach undertaken in meeting the needs of the community and growing Greater Shepparton. The report provides evidence of how Council has achieved the objectives set in the Council Plan 2009-2013 and we hope that you enjoy taking the time to read the activities that have been undertaken in creating a Greater Future for Greater Shepparton.

In 2012/2013 activities have been undertaken with the aim of enhancing the lives of our citizens and creating a more prosperous community in terms of:

- Settlement and Housing
- Community Life
- Environment
- Economic Development
- Infrastructure Strategic
- Council Organisation and Management

As detailed in the report, Council with the support of the community has experience great success in meeting the objectives of the 2009-2013 Council Plan.

Highlights include:

- Development of Council's first ever Cultural Diversity and Inclusion Strategy.
- Finalising the Community Safety Plan.
- Attracting approximately 920,000 visitors to Greater Shepparton through events and tourism initiatives.
- 10 Community Plans developed and implemented for a regional towns.
- Rebranding and repositioning of the Shepparton Art Museum (SAM).
- Delivery of SAM's first flagship international exhibition – The Golden Age of Colour Prints Ukiyo-e.
- Delivery of the Shepparton Jobs and Skills Drive.
- Functional and detailed design completed for Stages 1-6 and 1 to 3 respectively of Goulburn Valley Freight and Logistics Centre (GV Link).
- Implementation of a new Rating Strategy.
- Development of a long-term Financial Plan.

A further significant achievement was the recognition of Council's responsible financial management as assessed by the Victorian Auditor-General's Office (VAGO) in identifying Greater Shepparton City Council as having a low financial risk. Council has in place a robust and integrated process of long term financial planning, annual budgeting and performance monitoring that ensures that Council's financial position remains strong with almost \$1,181,000,000 of community assets under Council's stewardship.

With the 2009-2013 Council Plan now completed, much of the focus of 2013 was undertaking the planning process for the next Council Plan to be developed.

Community engagement is integral to our core business and we have worked hard to nurture connections with our community. Approximately 11,400 residents were engaged in the 2013 – 2017 Council Plan consultation process. I would like to thank all of the members of the community who took the time to be part of this critical process in planning for our future. Thank you also to the staff who were involved in the extensive consultation process. Over 100 members of staff were involved in the process, donning the famous green t-shirts to attend over 200 meetings, events and activities to gather ideas and aspirations from all members and sections of our community.

With the 2013-2017 Council Plan now finalised we are excited to be embarking on the new phase of creating a Greater Future.

2012/2013 has been a period of immense change Council as an organisation. Council needed to evolve for the organisation to be more efficient, agile and strategic in better meeting the needs of the community. Having the right structure, systems and processes is critical if the organisation is to truly add value to the lives of our citizens and be sustainable. Early 2012 the organisation embarked on the Good to Great journey which involved extensive staff consultation, with the feedback informing the development of a Transition Plan that would take Council from being a good organisation to great organisation.

The key focus of 2012/2013 has been the implementation of the 117 Transition Plan strategies, with 56 per cent of the tasks been completed to date which is well ahead of schedule.

The remaining tasks are more complex and therefore require a greater investment of resources and time and therefore due for completion within the next six months.

Significant outcomes achieved to date include:

- Organisational restructure and realignment.
- Creation of new leadership positions, both Executive and Senior Management.
- Creation of a dedicated business planning unit.
- Commenced formalising business planning framework.
- Adopting a “customer focussed” service delivery model.
- 800 Position Descriptions reviewed and updated.
- Centralisation of cross organisational services and functions.
- Introduction of PRINCE2 methodology as a best practice approach in project management.
- Review of all policies and CEO Directives.
- Adoption of a customer focussed business planning model.
- Creation of best practice Procurement Guidelines.
- Quarterly budget reporting to Council.
- Review of spend against Capital works.
- Development of a comprehensive Strategic Resource Plan.
- Improved budgetary information to our Community.

This has been a mammoth process and I would sincerely like to thank the staff for their support, energy, enthusiasm and patience during this time.

Undertaking a cultural and paradigm shift is no mean feat, however the hard work has enabled Greater Shepparton City Council to be more resilient, agile and sustainable. With a focus on continuously learning and continuous improvement,

Council is excited by the challenges that lay ahead in meeting the complex needs of our community, and priding ourselves on our willingness to do things differently.

I would like to express my appreciation for the support and guidance provided by the Councillors over the past several months with regard to excellent governance ensuring the success that has been achieved in 2012/2013.

Local Government currently deals with complexity and uncertainty on a scale that has never been seen before, economic and social upheaval is changing the game faster than we can keep up, however in embarking on the Good to Great journey I am confident that Greater Shepparton City Council is well positioned to meet the expectations of our community well into the future.

Gavin Gator
Chief Executive Officer

September 2013

About Us

Our Region

Greater Shepparton is a vibrant, diverse community located approximately two hours north of Melbourne in the Goulburn Valley - the heart of regional Victoria. As a major regional centre experiencing strong growth, Greater Shepparton offers an enviable lifestyle and diverse employment base through our urban and rural communities.

Greater Shepparton is a vibrant and progressive community that offers the best of both provincial and metropolitan lifestyles. With its central location being a major strength, Greater Shepparton is the ideal regional location to live, work, invest and visit.

The municipality boasts affordable real estate; business opportunities and diversified farming practices and residents enjoy a wide range of entertainment and leisure options, including many coffee shops and restaurants.

Scenic open places, shared pathways and our meandering river system add to the beauty and surrounds, to encourage social connection and improved lifestyle behaviours.

Food malls, with an abundance of cafés and restaurants provide plenty of choice for residents and visitors. Greater Shepparton's history of migration has evolved our large selection of local cuisine, whether it's Turkish, Japanese, Indian, Thai, Lebanese, Chinese, Italian or a bistro meal, you can find it all in Shepparton's Central Business District (CBD) and the surrounding townships.

Local wineries and ample farm-gate suppliers provide an added gourmet touch to celebrate and promote the region's repertoire.

Greater Shepparton is a retail hotspot for regional Victoria, constantly attracting new brands, and there is an abundance of events and leisure activities available to the community.

Our Location

- More than 63,000 people over 2,421 square kilometres, living within 60+ localities.
- Fifth largest regional centre in Victoria.
- One of the fastest growing regions in Victoria.
- Centrally located along the Goulburn and Broken Rivers.
- Easy access to the Goulburn Valley and Midland highways providing great transport connections and lifestyle opportunities.
- Two hours' drive from Melbourne and excellent road connections to Adelaide, Canberra, Sydney and Brisbane.
- Greater Shepparton's population is split between the urban areas of Shepparton, Mooroopna, Kialla and Tatura and the smaller centres and rural areas in and around Congupna, Dookie, Katandra, Kialla West, Merrigum, Murchison, Tallygaroopna, Toolamba, Ardmona and Undera.
- This split reflects the range of lifestyle choices available across the municipality, from small urban blocks close to high-quality amenities, through to lifestyle properties as well as large working orchards and farms.

Our Age

- The median age of people in Greater Shepparton is 38 years.
- Children aged 0 - 14 years make up 16.8 per cent of the population.
- People aged 60 years and over made up 20.4 per cent of the population.
- The proportion of couples within Greater Shepparton with children is nearly 3 per cent above the regional Victorian average, at 29.7 per cent.

Our Diversity

- An estimated 3.4 per cent (more than 2,000) residents have identified as having an Indigenous heritage. The City's indigenous population is the largest in regional Victoria.
- 13 per cent of residents (nearly 8,500) were born overseas, mostly with non-English speaking backgrounds.
- There are more than 50 cultural groups represented in Greater Shepparton with many residents immigrating from India, Afghanistan, Sudan, Italy, Iraq, Turkey, New Zealand and the Philippines.
- 18 per cent of residents speak a language other than English at home.
- The most commonly spoken languages other than English are Italian (2.7%), Arabic (1.7%), Turkish (1.0%), Albanian (0.8%) and Punjabi (0.8%). Dari, Persian, Greek, Macedonian, Mandarin, Samoan and Cantonese are also strongly represented.
- Approximately 5.4 per cent of the City's population has been identified as requiring assistance with self-care, body movements or communication.

Our Education

- Greater Shepparton's top-class education facilities offer a high standard of learning from early childhood to primary and through to tertiary level.
- Greater Shepparton boasts 39 early childhood education and care services, 26 primary schools and six secondary colleges, with families able to choose from government, Catholic or private education.
- Council has a tertiary strategy with the aim of increasing access to university studies for our community. There is currently a strong university presence with the likes of the University of Melbourne's Shepparton and Dookie campuses and La Trobe University's Shepparton campus offering a range of courses and degrees. GOTAFE provides vocational educational and training opportunities and pathways to university studies, with Victoria University has providing a number of courses in partnership with local service providers.

Our Economy

- Estimated gross economic output of \$6.9 billion per annum.
- The region's export-focused agricultural industries generate about 25 per cent of the total value of Victoria's agricultural production.
- Irrigated agricultural industry generates produce worth approximately \$480 million gross value per annum and our rural food processing industries produce an annual gross value of approximately \$3.3 billion.
- The \$2 billion Northern Victoria Irrigation Renewal Project (NVIRP) is the biggest investment of its kind in Australia, with automated technology and repairs to outdated channels dramatically improving water delivery and efficiency. The modernisation of the region's irrigation network will bring it to a world-class standard.
- Major employers include SPC Ardmona, Campbell's Soups, Tatura Milk Industries, Unilever, Snow Brand, Greater Shepparton City Council, Department of Primary Industries, Goulburn Valley Health, Goulburn-Murray Water, GOTAFE, La Trobe University and the University of Melbourne.
- Local entrepreneurs and small businesses are the backbone of our communities equating to 32.2 per cent of the business sector.
- Greater Shepparton is known as regional Victoria's largest truck sales and service centre and is recognised as a major transport hub of regional Australia.
- People within Greater Shepparton are primarily employed in the following sectors:
 - Health Care and Social Assistance (3,775 people or 14.2%)
 - Retail Trade (3,381 people or 12.7%)
 - Manufacturing (3,311 people or 12.4%)
- The unemployment rate for Greater Shepparton is above the state average and is currently at 8.4 per cent.
- Tourism and events attracted 920,000 people to the municipality in 2012.

Our Organisation

Greater Shepparton City Council is governed by seven elected Councillors, and operates in accordance with the *Local Government Act 1989*. As a local government authority, Greater Shepparton City Council exercises a wide range of government functions and powers for the “peace, order and good government” of our municipal district.

Greater Shepparton City Council is one of the largest regional Councils within Victoria and strives to achieve our community's vision of a “Greater Shepparton”.

As a local government authority we protect and strengthen Greater Shepparton's economic prosperity and the health, wellbeing and safety of our residents. We endeavour to plan and build a connected regional community which is safe, easy to navigate and provides a healthy and prosperous lifestyle, now and into the future.

We are committed to making a difference in our community and creating a Greater Shepparton that provides access to world class educational and employment opportunities and health and wellbeing facilities.

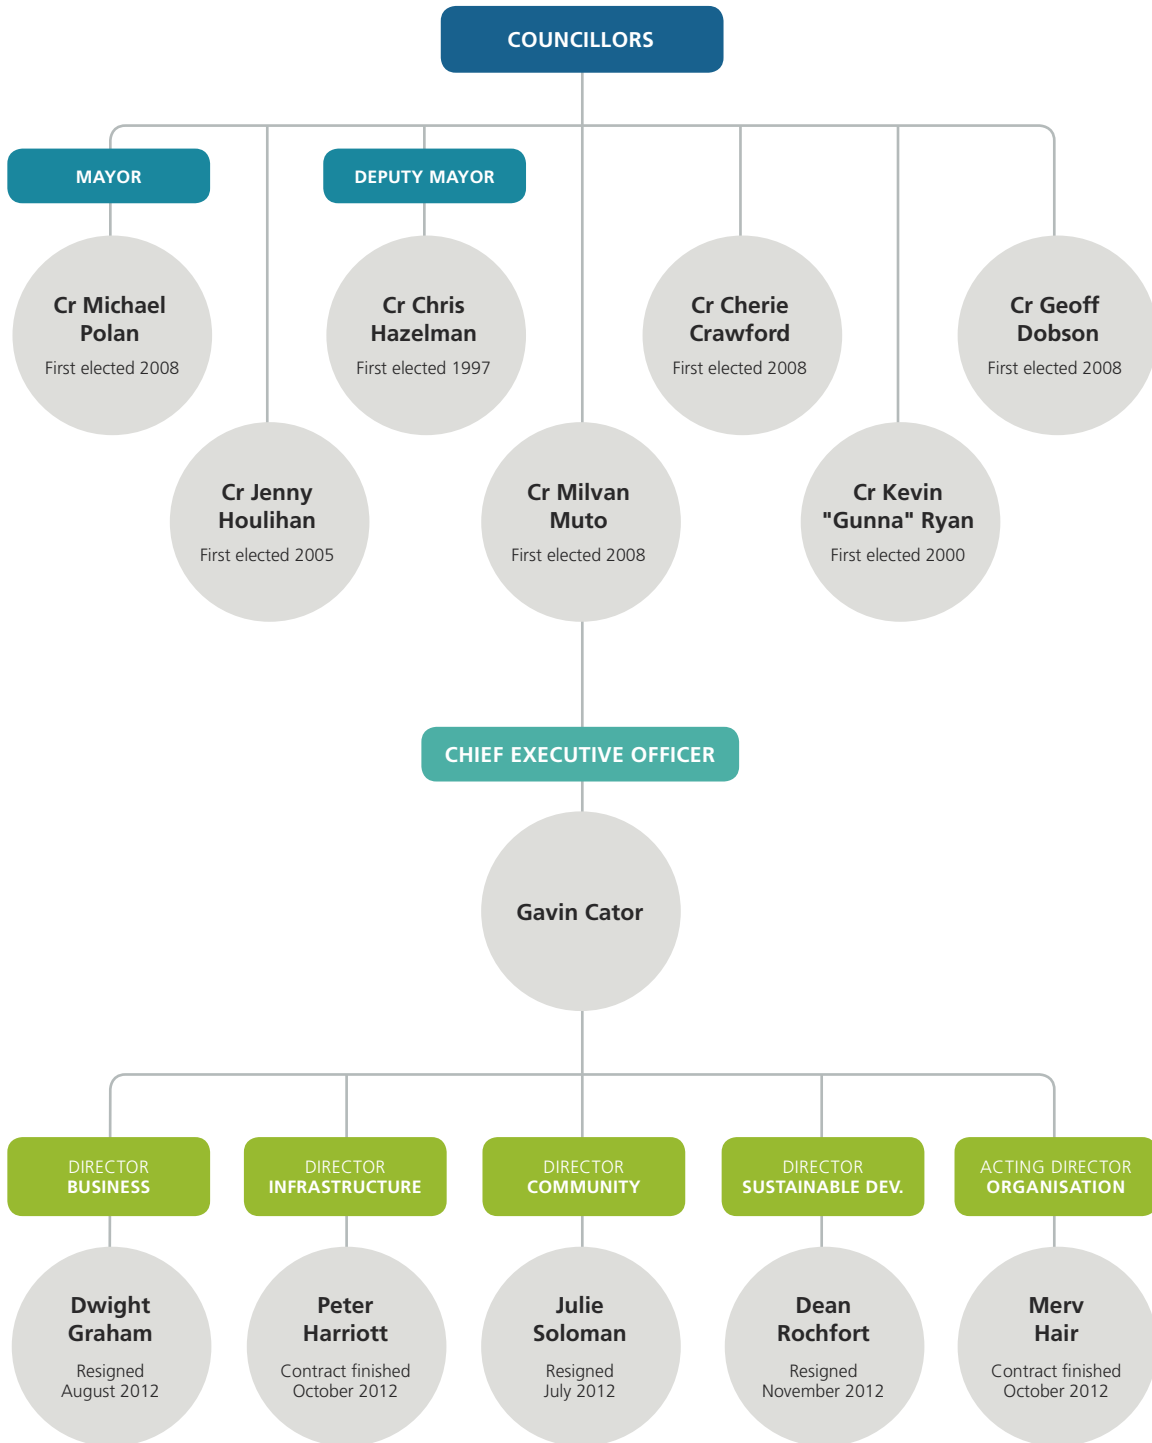

The purpose of the Greater Shepparton City Council is to deliver services, implement strategic initiatives and develop policies and plans. These three functions have a direct interface with the community. The fourth function, service support, refers to internal services that support the operations of the organisation.

The Role of the Greater Shepparton City Council

Our People

July 2012 – October 2012

Our Councillors

July 2012 – October 2012

MAYOR

Cr Michael Polan

Michael has been living in the area for 25 years, and for over 15 years he's been in business as a wool classer.

After having been a Councillor and recently Mayor, Michael has learned a lot about how to listen and how to bring about change. Michael wants to put back into his community, and to restore pride in our region – and our Council. Michael wants people to be proud to say that they come from Greater Shepparton and that they love living here. Michael believes that we can pride ourselves on the fact that we are home to so many diverse cultures, bringing their stories and their food, which enhances our experiences and opportunities.

Committees:

- Bourchier Memorial Working Group
- Goulburn Murray Local Learning and Employment Network
- Greater Shepparton Audit and Risk Management Committee
- L2P Steering Committee
- Regional Aboriginal Justice Advisory Committee
- Rumbalara Aboriginal Cooperative Working Party
- Shepparton Art Gallery Advisory Committee
- Shepparton Liquor Licensing Accord
- Shepparton Regional Saleyards Advisory Committee
- Tatura Park Advisory Board
- Sustainability and Environment Steering Group
- Victorian Local Governance Association

DEPUTY MAYOR

Cr Chris Hazelman

Chris has lived in Shepparton with his family for most of his life.

Chris obtained a Master of Business Administration and is a graduate of Harvard University and Kennedy School of Government Senior Executives Program in Public Policy Development.

After almost 30 years in various roles for the Victorian Government, he established an enterprise to provide consultancy services.

He is actively involved with many community and sporting organisations. In 2004 he became the Manager of the Ethnic Council of Shepparton and in 2005 was appointed by the Minister for Racing as the Administrator of the Shepparton Harness Racing Club.

Committees:

- Deakin Reserve Advisory Committee
- Greater Shepparton Aerodrome Advisory Committee
- Greater Shepparton Audit and Risk Management Committee
- Rumbalara Aboriginal Cooperative Working Party
- Sustainability and Environment Stakeholder Reference Committee
- Veterans' Board of Trustees

Cr Cherie Crawford

Cherie resides in Mooroopna and has been involved in business and community life for many years prior to her election to local government.

She served as a Councillor and Shire President of the former Shire of Rodney, then as a commissioner for the Moira Shire Council. During this time, she served as the President of the Victorian Local Government Women's Association and as a member on the national board.

Cr Crawford has also been President of Mooroopna Football Club, President of McLennan Kiwanis Club and Secretary and Treasurer of Goulburn Valley Racehorse Trainers Association.

Her background is in hairdressing, and she has a 25 year love of farming, breeding and racing thoroughbred horses. Cherie holds a Bachelor of Arts (Community Development) and an Associate Diploma of Social Sciences.

Committees:

- Arts Co-ordinating Group
- Australian Local Government Women's Association
- Goulburn River Valley Tourism Board
- Greater Shepparton Audit and Risk Management Committee
- Older Person's Advisory Committee
- Shepparton Show Me Committee

Cr Geoff Dobson

Geoff has lived in Shepparton for most of his life; his family is third generation Shepparton residents.

He has been involved in the real estate industry for 35 years and in that time Geoff owned two real estate offices and worked in commercial and residential real estate sales.

Geoff has been a Director of the Real Estate Institute of Victoria (REIV) for nine years and previously held the role of REIV President. He is on the board of the Estate Agents Council, which is a government body working on real estate governance and overseeing the distribution of funds from the Victorian Property Fund.

He has been married to Prue for 35 years, has three adult sons and two grandchildren.

Committees:

- Deakin Reserve Advisory Committee
- Goulburn Broken Greenhouse Alliance
- Goulburn Valley Regional Waste Management Group
- Municipal Association of Victoria
- Rumbalara Aboriginal Cooperative Working Party
- Shepparton Show Me Committee

Jenny Houlihan

Jenny has lived and taught in Greater Shepparton since the 1960s, and currently runs a retail business in Shepparton's CBD.

After being on Council for seven years Jenny is well acquainted with the needs and expectations of our community. Jenny describes herself as a 'people person' who respects people and their diverse characteristics. Jenny wants to provide an ever increasing quality of life for all Greater Shepparton residents, and she is aware of the need to continually improve employment, education, transport, health, housing, water security for farmers, safety, sporting facilities, heritage, the arts and appreciation and use of our natural environment.

Committees:

- Australian Botanic Gardens Special Committee
- Best Start Municipal Early Years Partnership Committee
- Disability Advisory Committee
- Goulburn Valley Regional Library Corporation Board
- Shepparton Secondary Education Advisory Board

Cr Milvan Muto

Milvan was born in France and migrated with his family to the Shepparton area when he was a baby. He has lived in Tatura, Toolamba and now resides in Shepparton.

Milvan was involved in the motor industry for 10 years and has been involved in hospitality for 20 years, including Calzonys Restaurant and the Shepparton Hotel.

He played senior Australian Rules football and soccer for many years and is still a passionate supporter of all forms of local football.

Milvan attended St Georges Road Primary School and Shepparton High School, before studying at TAFE.

Milvan became involved in Council because he wanted to make a difference and improve people's living standards.

Committees:

- Shepparton Show Me Committee

Cr Kevin "Gunna" Ryan

Kevin resides in Tatura, where his family were original settlers. In Tatura Kevin operates a dairy farm and a caravan hire business.

This is Kevin's sixth term as Councillor for Greater Shepparton, and his big passion has been the growth of the Tatura Park. Kevin suggests that we have tremendous potential in Greater Shepparton and great energy in our smaller townships. He would like to see us work together to achieve the best for our region.

Committees:

- Alliance of Councils for Rail Freight Development
- Food Bowl Inland Rail Alliance
- Melbourne to Brisbane Inland Rail Alliance
- Shepparton Regional Saleyards Advisory Committee
- Tatura Park Advisory Board

Our Executive

July 2012 – October 2012

CHIEF EXECUTIVE OFFICER

Gavin Cator

Gavin Cator has more than 20 years of senior management experience in local government.

Gavin has spent his entire working life in local government. Gavin holds a Bachelor of Civil Engineering and a Graduate Diploma in Municipal Engineering.

He has also served in sector leadership roles including as President of Local Government Professionals (LGPro) in Victoria and as a National Director of Local Government Managers Australia (LGMA).

Gavin is also a graduate of the Australian Rural Leadership Program and has a passion for leadership development. Throughout his life Gavin has been heavily involved in Australian Rules Football.

DIRECTOR BUSINESS

Dwight Graham

Dwight commenced his employment at Greater Shepparton City Council in September 2008 after relocating from his homeland, New Zealand.

His previous roles include Chief Financial Officer at Speirs Group, a food and financing company, and the Finance Manager at Palmerston North City Council, both in New Zealand.

Prior to these roles Dwight was in the New Zealand Air Force for 21 years as an Avionics Engineer.

Dwight is a Chartered Accountant whose qualifications include a Certificate in Engineering (Electronics and Computer Technology), a Bachelor of Business Studies (Accountancy) and a Master in Business Administration.

DIRECTOR INFRASTRUCTURE

Peter Harriott

Peter Harriott has more than 20 years' experience in local government, starting as a graduate engineer in Warrnambool in 1985.

He secured promotions in his field of engineering at a number of rural councils prior to his appointment in 2000 at the Greater Shepparton City Council where he started as the Director of Development and Infrastructure.

Peter's qualifications include a Bachelor of Engineering (Civil), Municipal Engineer's Certificate, Water Engineer's Certificate, Graduate Certificate in Water Engineering, Municipal Building Surveyor and a Master of Business Administration.

DIRECTOR COMMUNITY

Julie Salomon

Julie began her role as the General Manager Community Development in May 2010.

Julie has had extensive experience in public sector human service provision, leadership, management, contemporary service planning and strategic policy development within local and state government environments.

Prior to Greater Shepparton City Council, she was the Manager Family and Children's Services at the City of Yarra for two and a half years and before that held positions with Banyule City Council and the Department of Human Services in the Family and Children's Services area.

Julie's qualifications include Diploma of Teaching (Early Childhood), Graduate Diploma in Special Education, Graduate Certificate of Applied Business and Graduate Certificate in Ontological Coaching.

DIRECTOR SUSTAINABLE DEVELOPMENT

Dean Rochfort

Dean holds a Bachelor of Business (Economics and Finance) from the Royal Melbourne Institute of Technology and an Executive Masters in Business Administration through the Melbourne Business School.

Before taking up his current position in August 2009, Dean held the role of Director of Corporate and Economic Development from November 2004. He also spent a year as the Organisational Development Manager with Mitchell Shire following two years as Mitchell Shire's Tourism and Economic Development Manager.

Prior to his move to local government, Dean worked in the private sector in the Information Technology, Natural Resources and Transport Industries.

ACTING DIRECTOR ORGANISATION

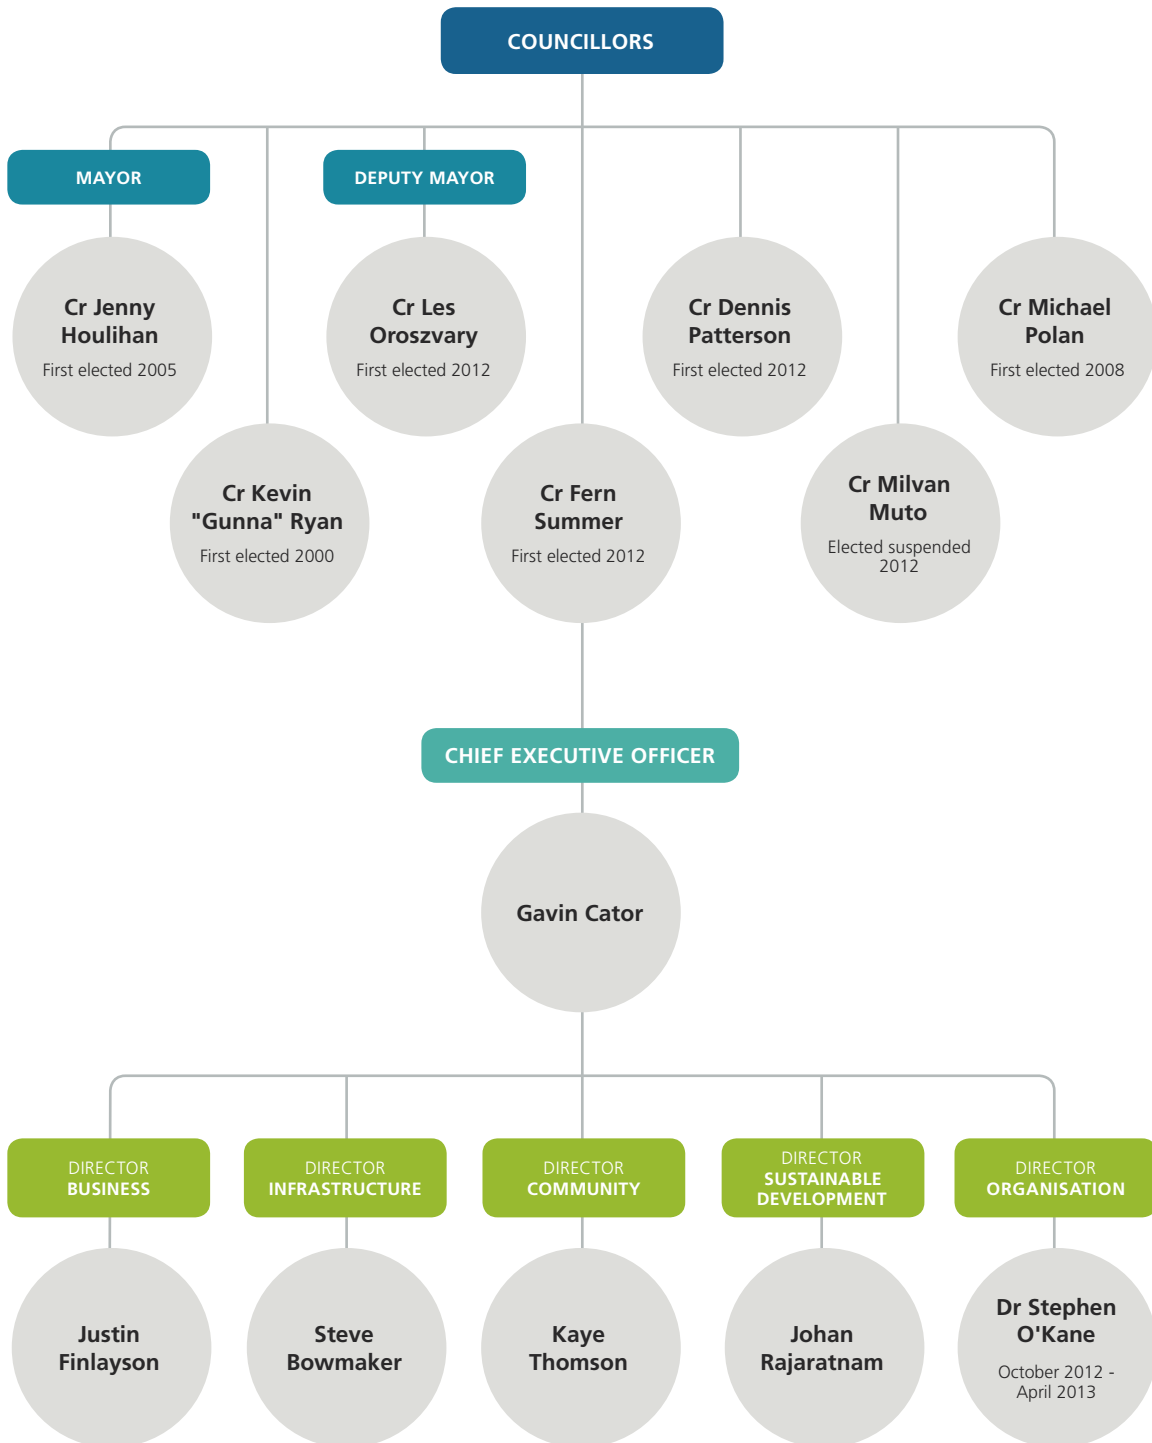

Merv Hair

Merv has more than 40 years' experience in local and state government authorities at a senior management level. He has formal qualifications in Business Studies - Local Government and is a qualified Municipal Clerk.

Merv has broad experience and understanding in many areas including corporate governance, strategic planning, organisational development, continuous improvement, business planning, policy development, risk management, financial management and reporting, enterprise bargaining, internal audit frameworks and regional library services.

Our People

November 2012 – July 2013

About Us

Our Councillors

November 2012 – July 2013

MAYOR

DEPUTY
MAYOR

Cr Jenny Houlihan

Committees:

- Australian Botanic Gardens Special Committee
- Best Start Municipal Early Years Partnership Committee
- Council of Australian Governments Partnership
- Department of Rural Health Management Advisory Committee
- Greater Shepparton Audit and Risk Management Committee

Cr Les Oroszvary

Les is a servicing Police Officer with 32 years' experience. Les describes himself as a team player with a can-do attitude and brings leadership and integrity to the role of Councillor.

Les believes that Greater Shepparton can regain its reputation as a premier city, a place where people are proud to live and work and where we are a model to other regions and municipalities. Greater Shepparton's strengths are its people, its success stories, its strong cultural background, and its climate and location.

During his term Les hopes to see the Council more engaged with ratepayers and citizens, and he is committed to listening to the community that elected him.

Cr Fern Summer

Fern is a married mother of three children. She has lived in Shepparton for most of her life and stood for council to secure the future of all our children.

Fern completed Year 12 at Goulburn Valley Grammar School and completed a Degree of nursing at Deakin University. Previously Fern and her husband ran small businesses in Tatura, Shepparton's CBD, as well as from home.

As a nurse, a mum and small business owner, Fern is in a good position to listen and advocate for people in Greater Shepparton. She contends we should all be proud of having so many great experiences in our region such as Victoria Park Lake, our famous cows, pristine walking tracks and Tatura Bakery's award winning vanilla slice.

Committees:

- Disability Advisory Committee
- Goulburn Valley Regional Waste Management Group
- Greater Shepparton Women's Charter Alliance Advisory Committee
- Positive Ageing Advisory Committee

- Occupational Health and Safety and WorkCover

DIRECTOR BUSINESS

Justin Finlayson

Justin came to Greater Shepparton City Council from Benalla Rural City where he was employed as the General Manager Corporate and Community. Prior to this Justin was employed by Pricewaterhouse Coopers. He is a Chartered Accountant and holds a Bachelor of Commerce Degree.

Justin believes that through best practice business systems Council will deliver sustainable programs that are responsive to the expectations of the growing Greater Shepparton community.

He is a very proud father of two and spends all of his spare time playing with and enjoying his sons, aged three and one.

As Director Business Justin is responsible for:

Assets

- Strategic Asset Management

Finance and Rates

- Financial Accounting
- Rates and Valuations
- Revenue

Information Services

- eServices
- GIS
- Information Technology

Regulatory Services

- Animal Management
- Citizen Services
- Parking Enforcement
- Local Laws

DIRECTOR INFRASTRUCTURE

Steve Bowmaker

Steve has diverse experience in chartered accounting, consulting, health, finance, information technology and project management and was a founding member of the Greater Shepparton City Council Audit and Risk Management Committee.

Steve has a focus on delivering value for the community through best practice in the management and maintenance of our infrastructure assets and through the introduction of new project management processes across Greater Shepparton.

Steve is married with four children and lives in Dookie where he has been heavily involved in community planning and capacity building, umpires junior football and plays around with his old American cars.

As the Director Infrastructure Steve is responsible for:

Projects

- Aerodrome Management
- Capital Works Planning
- Design Services
- Development and Design Services
- Engineering

Recreation and Parks

- Park Construction
- Parks and Parks Furniture Maintenance
- Public Open Space and Showgrounds
- Recreational Planning
- Tree Maintenance

Works

- Road Construction and Maintenance
- Street Sweeping
- Fleet and Buildings

DIRECTOR COMMUNITY

Kaye Thomson

Kaye Thomson commenced her role as the Director Community with Greater Shepparton City Council in November 2012.

Kaye has over 30 years of experience in the health and local government sector. Prior to Greater Shepparton City Council, Kaye was with the neighbouring Moira Shire Council as Director Community Sustainability and other various roles over 17 years.

Her passion is community engagement and capacity building, to ensure communities are involved in shaping their future. Kaye is committed to quality service delivery.

Kaye is married and has three children and enjoys spending time with her family and taking on volunteer roles in her community.

Her qualifications include general nurse, Midwife, Maternal and child health nurse, Nurse practitioner – immunisation, Bachelor of Applied Science/Community Health and a Graduate Diploma Company Directors.

As the Director Community Kaye is responsible for:

Active Living

- Aquamoves
- Aquatic Programs
- KidsTown
- Physical Activity Programs
- Stadiums

Arts, Tourism and Events

- Events and Festivals
- Riverlinks
- Shepparton Art Museum (SAM)
- Tourism
- Visitor Information Centre

Children's and Youth Services

- Aquamoves Childcare
- Early Childhood Educational Services
- Family Day Care
- Maternal and Child Health

Neighbourhoods

- Aged Services
- Community Engagement
- Community Planning
- Community Safety
- Community Strengthening
- Emergency Management
- Library Services
- Multicultural and Aboriginal Relations
- Social Planning

DIRECTOR SUSTAINABLE DEVELOPMENT

Johann Rajaratnam

As part of his role Johann is responsible for the business investment, land use planning, environmental planning and building portfolios at Greater Shepparton City Council.

Prior to coming to Greater Shepparton in March 2013, he worked at the City of Boroondara in Melbourne. Johann's background includes strategic planning, staff management, government liaison and corporate planning experience. His work history is primarily in local government with experience working at small coastal councils with seasonal population expansion, growth area councils and inner city councils.

Johann has several qualifications including a Bachelor of Science and Master of Social Science (Planning and Environment).

As the Director Sustainable Development Johann is responsible for:

Building Services

- Building Approvals
- Building Enforcement

Environment

- Environmental Health
- Immunisation
- RiverConnect
- Sustainability and Development
- Strategic Waste – Landfill, Litter Bins, Street Collections and Transfer Stations

Investment Attraction

- Business Centre
- Business and Industry Development
- Business and Industry Promotion
- Grants Facilitation and Co-ordination

Planning

- Statutory Planning
- Strategic Planning
- Strategic Transport Planning

DIRECTOR ORGANISATION (OCTOBER 2012 – APRIL 2013)

Dr Stephen O'Kane

Stephen came to Greater Shepparton City Council with experience as a mentor coach leader and consultant to a number of CEOs and senior managers in a wide range of industries.

Previously he held the position of Secretary Parliamentary Services for the Parliament of Victoria for six years, Director Corporate

Development for City of Port Phillip, Corporate Manager Business Development with the Shire of Yarra Ranges and Principal Internal Auditor (Performance) with Melbourne Water Corporation.

Our Staff

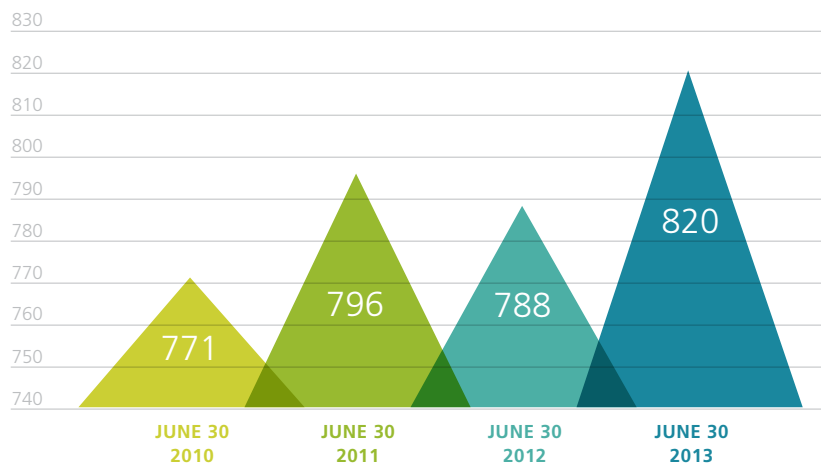

Greater Shepparton City Council is one of the region's largest employers. We employ 462.59 EFT staff in a variety of permanent and temporary roles on a full-time, part-time and casual basis. Eighty-five per cent of our staff also live within the municipality. This means our people are able to bring a local passion, perspective and knowledge to the services they provide.

Occupation type (full time, part time and casual staff)

	FULL TIME	PART TIME	CASUAL	TOTAL
CEO	1	-	-	1
Directors	4	-	-	4
Managers	18	-	-	18
Other Staff	345	176	276	797
Total	368	176	276	820

Over the last four years, our workforce has grown by approximately 4 per cent. While the number of employees at Greater Shepparton has grown this doesn't equate to a growth in equivalent full-time positions.

Workforce Growth

Council provides a range of flexible employment arrangements. The table below demonstrates a significant portion of the workforce is made up of part-time and casual staff at different levels within the organisation.

Basis of employment (EFT including casual hours)

	MALE	FEMALE	TOTAL
Full Time	204.45	157.7	362.15
Part Time	6.55	93.89	100.44
Total	211	251.59	462.59
Casual	6.83	17.67	24.5
Total (including casual EFT)	217.86	269.26	487.09

Organisational Review – Good to Great

During 2012 an organisational review of processes, systems, human and physical resources took place within the Council administration.

External Consultants were appointed to undertake an Organisational Scan with the purpose of identifying where the organisation could improve its performance and long term sustainability through:

- Increased ownership and alignment to the Council Plan.
- Increased operating efficiency in service delivery.
- Informing the proposed served play that will be undertaken.
- Enable deployment and ownership of the human and physical assets of the Organisation.

This was enabled via the following actions:

- Consultation between staff and consultants in one on one meetings.
- Consultants meeting with cross functional teams and operational teams in a workshop environment.
- Councillor workshop and one-on-one interview with the consultants.

A total of 220 staff one on one interviews took place. A further 100 employees were involved in the workshops. There was a consistency of issues raised by both Councillors and staff.

An issues paper was prepared which provided a series of recommendations to alleviate these matters. The issues paper was released to Councillors and employees on 15 May 2012 with the Councillors and staff having the opportunity to comment on the issues paper. A total of 69 submissions were received.

New Organisational Structure

The issues paper provided the basis for the development of a functional organisational structure. A draft functional structure was released on the 4 June 2012, followed by meetings between the CEO and Directors/Managers to discuss what the implications of the functional structure were. Submissions were also called for from employees on the draft functional structure, 100 submissions were received.

On the 14 June 2012 the new organisational structure was released to all employees. A transition management process was put in place to assist the organisation transition to the new structure.

Transitional Management Plan

A Transitional Management Plan was adopted with 117 transitional tasks to be undertaken from June 2012 over the next two years. Each task identified required the preparation of a transition management project plan. As at June 2013, 56% of these project plans had been completed and with work commenced on all projects. Each task requires a project plan with all plans to be completed by the 31 December 2014.

Council receives quarterly report from the CEO in which he provides an update for Councillors in the progress towards implementation of the transitional management plan actions.

A considerable amount of work is being undertaken to review all current position descriptions, review functional responsibilities, review and establish new financial charts, review and establish new Information Services file structure.

A review of the location of all functional Departments throughout the organisation has been completed and implementation has commenced with staff movement in order to bring all staff within individual Departments together for greater operational efficiency.

Building Leadership Capability

Since the restructure announcement on 14 June 2012, there have been a number of senior positions advertised over four phases of recruitment, which have been completed in January 2013. All senior vacancies resulting from this restructure have been advertised, filled or appointments confirmed. As the organisation moves forward there continues to be opportunities to review existing structures, continue alignment with service outcomes and overall challenge the organisation to find efficiencies where possible.

Staff Support

Work life balance is an increasingly important phenomenon in modern-day times. Having an employer who is supportive, committed and flexible creates an opportunity to adjust work arrangements to meet individual circumstances. This results in many benefits for the employee while creating significant wins for Council: improved productivity, engagement and retention, and the ability to attract engaged staff.

Human Resources

Legislation requires a Council to have an organisational structure and staff in place to effectively manage the operations in accordance with the Council Plan. The Council's existing organisational structure is based on functional activity and common objectives in order to meet the community's needs, provide quality and efficient services, support the stimulation and strengthening of the local economy and provide efficient and effective administration for the organisation.

Under the existing organisational structure, a range of full-time, part-time and casual staff members are employed, with a diverse skills base across a wide range of disciplines. The Council 2011 Enterprise Agreement was certified by Fair Work Australia on 20 January 2012 and shall remain in force until 30 June 2014. The agreement encourages workplace flexibility and multi-skilling and delivers to staff sound terms and conditions of employment.

Casual Conversions

Due to an audit of Casuals and a requirement of the Local Authorities Award, Casuals who work for Council for longer than six months on a consistent basis, have the right to ask for a permanent role. The audit and subsequent review of these positions has been completed and Casual employees continue to be monitored to ensure consistency in our recruitment practices.

Constant review of aligning the organisation functionally will be conducted on a regular basis using a Job Analysis/Business Case template. Managers of Departments will be required to conduct a Job Analysis and prepare a Business Case for every role where there is an exit or termination and also to request a new position into the structure, including roles which are funded. This will allow for a review functionally for the position and take into account budget implications for Council.

In regards to the calculation of casual EFTs, previously Council has allocated an EFT of one hour per week for the purposes of calculating EFT. Examination of this has indicated that the methodology of calculation does not truly reflect the EFT within the organisation. This has been corrected for the 2013/2014 calculation with an average of seven hours per week now used to reflect EFT for casual employees.

Cultural Change

Council is moving and enabling change to move us operationally from being reactive to proactive and we have been in this strategic focus of change for the past 14 months. Overall we are looking at our cultural change in three phases:

Phase 1 – Re-invigorate Council

Organisational Scan, Restructure and encourage employees to 're-think', to continually ask questions and to embrace new ideas, innovation and to assess our work against our values; Leadership, Integrity, Teamwork, Respect and Innovation.

Phase 2 – Stabilisation

Over the next 12 months to three years, we will continue to engage, encourage and promote risk takers and manage talent to ensure we move the organisation from 'Good to Great'.

Phase 3 – Growth

Adapt our recruitment framework and continue to recruit the right staff, review negative turnover and work with a positive Workforce Plan for our future.

A strategic and tactical focus to become an organisation whose culture is in fact a shift in mindset of all staff, a journey which will take place after the re-structure, seating changes, transition plans, process changes, which continue to demand not only time but need to be well managed going forward.

Staff now see their role as being vital to the organisation overall, to ensure that they celebrate successes along the way and communicate success stories as real change to employee views and culture is achieved. An organisation which can raise issues and be part of the solution to solve these issues.

An organisation which is accountable for their actions, including an accountability framework which staff have ownership over and which they are proud of, knowledge that we are all accountable for our actions.

Learning Organisation

Our organisational culture is defined as shared values, norms and expectations that govern the way people approach their work and interact with each other. The distinguishing feature of a leading council is its culture; its norms and expectations that encourage performance orientated behaviour. Building the Council's internal organisational capacity and its capacity to work in a team environment are major components of this. Council has embarked on a successful learning and development strategy which, in addition to meeting training obligations required by regulation, strives to build on and reinforce this performance oriented culture.

Greater Shepparton City Council is a learning organisation which is committed to providing ongoing learning and development opportunities for all employees. Council wishes to enable its employees to achieve multi skilling, increase flexibility, and enhance productivity, performance, personal development and career development opportunities.

The Council will continue to provide learning and development opportunities to:

1. Achieve corporate objectives, initiatives and priorities, as set out in the Council Plan;
2. Enable continuous improvement;
3. Implement and improve quality management systems;
4. Enable effective job and work redesign;
5. Improve career opportunities for, and job satisfaction of employees; and
6. Provide specific skills to ensure the effective and efficient operation of the organisation.

One of the purposes of learning and development programs is to ensure that employees acquire and utilise the specialist skills and knowledge, managerial and interpersonal skills to perform the duties of their current position and to prepare them for the future requirements of Council in meeting the needs of the community.

Professional Development initiatives that were undertaken during 2012/2013 include:

- **Leadership Development Program**

A 12 month Diploma of Management program, being undertaken by 15 cross functional staff members who are predominantly in a Team Leader role.

- **Emerging Leaders Program**

A 12 month Certificate 4 in Frontline Management program, being undertaken by 15 cross functional staff members from various levels in the organisation, who are showing the potential to step up into a Team Leader's role.

- **Centralisation of First Aid**

All First Aid Level 2, CPR, Asthma and Anaphylaxis was centralised to the one training provider, and run in-house at regular intervals.

- **Corporate Mentor Program**

26 staff, Team Leaders and Managers took part in a 3 month internal mentoring program. Staff were paired with a member of another department, to maximise the cross functional networking.

- **Emotional Intelligence Assessments**

One on one assessments with staff, to understand how their emotions affect the way that they behave, perform in the workplace, and make decisions.

- **Equal Opportunity/LEAD Training**

150 staff attended Equal opportunity/LEAD training. This training was designed to raise awareness in the important areas of equal employment opportunity. As we are a multicultural society, it is vital that as individuals we are culturally competent and that Council has the ability to provide appropriate access and service to people from a range of cultural backgrounds.

- **Life Styles Inventory (LSI) Assessments**

One on one assessments with staff, to assess how they spend their energy, in terms of 12 behavioural styles. To gain an insight into the motivations behind a person's behaviour, and understand how each behaviour helps them, and holds them back.

- **Various Professional Workshops**

Various workshops were offered throughout the year, to provide professional and personal development to all staff. Some of these workshops included Conflict Resolution, Emotional Intelligence, Manage Your Life, Customer Service, Train the Trainer, Effective Communication, Cultural Diversity.

- **In-house Systems Training**

Departments ran systems training for in-house programs to all staff members, these included TRIM, EPO, Powerbudget and General Finance.

- **Mandatory Training**

The organisation rolled out training sessions in Freedom of Information, Equal Opportunity and LEAD, Fraud Awareness, Information Privacy and OHS.

Occupational Health and Safety

Council takes its responsibilities for providing a safe work place for its employees very seriously. To that end the following initiatives have been introduced in the last 12 months:

- Health Checks for all staff
- Fruit to the workplace every week
- Road Warrior Program
- Wellbeing Program
- Council sponsored Gym Membership program.
- Work break program

Council has an Employee Assistance Program (EAP) which provides free and confidential counselling and support to all employees and immediate family members 24/7. EAP is also made available to employees via regular communication and on-site visits by Counsellors.

At Council we examine the merits of moving towards SafetyMap accreditation OHS

Management System is "that part of the overall management system which includes organisational structure, planning activities, responsibilities, practices, procedures and resources for developing, implementing, achieving, reviewing and maintaining the OHS policy and so managing the risks associated with the business of the organisation."

OHS needs to be managed just like other critical aspects of a business and the best way to do it is to adopt a systematic approach. Having systems in place makes it easier to manage parts of business such as quality, productivity, finance, accounting, industrial relations, insurance etc.

The same applies to health and safety. Good health and safety management systems are good business. We will review the opportunities for Council to move to this model over the next 12 months.

Building our Workforce Plan

Greater Shepparton have embarked on building their Workforce Plan, based on four phases to ensure we gather the best data possible and conduct a thorough review, to enable a successful gap analysis to be undertaken.

Succession Planning

As part of the Workforce Planning work, Council is working on completing a Succession Action Plan which will outline an implementation plan for senior management positions and all other position (and position groups) which are identified as critical.

The positions/position groups will also be assessed in terms of current risk and anticipated residual risk following the implementation of identified action plans. Risk assessment will be based upon a risk assessment matrix to be developed in accordance with this process.

Awards and Recognition

Recognition Awards

On a quarterly basis, we acknowledged staff for their outstanding efforts by nominating them for an award in the following categories:

- Operational Excellence
- Above and Beyond
- Living the Values
- Customer Service
- Consistent Effort and Contribution

Staff are nominated for the awards by another staff member, or a customer. They receive a certificate to acknowledge their contributions to the organisation and are invited to the annual recognition dinner.

The recipients of the awards from July 2012 to June 2013 were:

- **Operational Excellence**
Brendan Newsbound
Dean McDonald
Des Good / Wayne Long / Christine Curtis
- **Above and Beyond**
Wendy Matthew
- **Living the Values**
Bonny Schnorrenberg
Louise Dwyer
Virginia Boyd

Years of Service

On a quarterly basis we recognised staff for their length of service.

Categories of recognition are:

- 5 years
- 10 years
- 15 years
- 20 years
- 25 years
- 30 years
- 35 years
- 40 years

Staff receive a certificate signed by the CEO and Mayor. Those who had completed 10 years of service or more also receive gift vouchers. Those who had completed 20 years of service or more are also acknowledged at the annual recognition event. The recipients for the 2012/2013 financial year are detailed on the next page.

Recognition of Retirement

When a staff member retires after 20 (or more) years of services, they receive a Certificate of Appreciation and letter from the Mayor. A morning/afternoon tea is held in their honour, and they are also invited to attend the annual recognition dinner, along with those staff who have completed 20 years or more of service.

Key Achievements

Key Achievements

Greater Shepparton City Council's vision is for a greater future for the municipality as the food bowl of Australia and a sustainable, innovative and diverse community. This vision is the cornerstone of the four-year Council Plan which was developed with input from more than 600 people in 2009 to guide Council's strategic direction and budget planning through to 2013.

The plan commits Council to 35 core focuses and 130 specific actions around six themes to help support the vision for the Greater Shepparton municipality.

Each year, Council's work plans and budget are set against the backdrop of the priorities identified in the Council Plan.

The following is a report of the status of actions in the four-year plan as well as some highlights from the final year (2012 - 2013) of the four year plan.

Our strategic objectives are:

Settlement and Housing

Council is committed to growth in a consolidated and sustainable development framework.

Community Life

Council will enhance social connectedness, physical and mental health and wellbeing, education and participatory opportunities in order to improve liveability and a greater range of community services.

Environment

Council will conserve and enhance significant, natural, environmental and cultural heritage.

Economic Development

Council will promote economic growth, business development and diversification, with a focus on strengthening the agricultural industry.

Infrastructure

Council will provide urban and rural infrastructure to enhance the performance of the municipality and facilitate growth.

Council Organisation and Management

Council will deliver best practice management, governance, administrative and financial systems that support the delivery of council programs to the community of Greater Shepparton.

STRATEGIC OBJECTIVE 1

Settlement and Housing

A commitment to growth within a consolidated and sustainable development framework.

HIGHLIGHTS

A \$40,000 grant was made available to eligible purchasers on 66 of the 1,600 lots to be developed in the Mooroopna West Growth Corridor.

ACTIVITIES	RESULTS	ACHIEVEMENTS/OUTCOMES	CHALLENGES	THE FUTURE
Implement recommendations from the Council's adopted Housing Strategy.	In progress	The Greater Shepparton Housing Strategy was adopted June 2011. The provisions of the Greater Shepparton Housing Strategy have been integrated into the Greater Shepparton Planning Scheme through Amendment C93 on 21st June 2012.		Remaining action will be implemented into service and budget planning processes.
Complete Mooroopna West Growth Corridor project.	In progress	Greater Shepparton City Council received a \$5.4 million grant from the Federal Government to allow new housing to be developed in the Mooroopna West Growth Corridor. This project is referred to the Building Better Regional Cities (BBRC) Program.		Infrastructure to be constructed to allow the land to be developed.
Engage stakeholders to ensure that growth management plans incorporate user views on priorities, infrastructure needs and future demand.	In progress	On-going discussions have been occurring with consultants acting on behalf of landowners on initiating planning scheme amendments in order to incorporate their views.		
Complete North East and South East Growth Corridor structure plans and Developer Contribution Plans and present to Council for endorsement.	In progress	The Growth Areas Authority has been engaged to finalise documentation for the North East Precinct Structure Plan. Hansen has recommended the finalisation of the South East Growth Corridor Precinct Structure Plan.		Expected completion August 2013. Expected completion December 2013.
Review Municipal Strategic Statement (MSS).	Ongoing	The MSS has been reviewed on a number of occasions as a result of the implementation of adopted strategy work, including most recently the implementation of the housing strategy.		The MSS will again be reviewed as part of the approval of the rural strategy. Implementation of the industrial strategy will commence in July with the assistance of the rural flying squad (DPCD).

STRATEGIC OBJECTIVE 2

Community Life

To enhance social connectedness, physical and mental health and wellbeing, education and participatory opportunities in order to improve liveability and a greater range of community services.

HIGHLIGHTS

11,400+ residents were engaged in the 2013 – 2017 Council Plan consultation process.

Winner of Victorian Multicultural Award for Excellence in December 2012.

Winner of 2012 Fire Awareness Awards in the Community / Aged and Disability category for Fire Safety for home and Community Care clients program.

600,000+ people visited Aquamoves.

Over 150,000 visitors to KidsTown.

8,229 people participated in the Activities in the Park.

16,000 attended SheppARTon Festival events throughout the month of March.

22 tours (walking, and visiting coach tours) conducted by the Visitors Information Centre.

30,000 meals on wheels delivered.

944 new babies and their parents Supported – 99% of the children born in the municipality.

500 children in three long day care centres, occasional care and family day care.

1,007 kindergarten enrolments for 2013 – 51% of these children are currently attending Council Kindergartens.

24,675 hours of domestic assistance provided.

8,401 hours of personal care provided.

9,322 hours of respite care provided.

Six Citizenship Ceremonies held with 235 members of the community becoming naturalised.

Cultural learn to swim sessions run on partnership by Council, Aquatics and Recreation Victoria, Uniting Care Cutting Edge (Funded by the Department of Immigration and Citizenship) and GV FamilyCare.

In February, Violet Lorenz and Marnie Tricarico were the winners of Council's "Meet the Bindi and Robert Irwin" competition as part of SPC Ardmona's Goulburn Valley Fresh Promotion.

ACTIVITIES	RESULTS	ACHIEVEMENTS / OUTCOMES	CHALLENGES	THE FUTURE
<i>Embracing our cultural diversity</i>				
Develop a Cultural Diversity Plan for Greater Shepparton and pursue implementation of any outcomes from there.	✓	Greater Shepparton's first Cultural Diversity and Inclusion Strategy and associated Action Plan 2012-2015 was adopted by Council in March 2012. Actions continue to be delivered as per the agreed action plan including: CALD consultation sessions for Council Plan, Emerge Leadership Workshop hosted in partnership with MAV, strong working relationship with Interfaith Network.	Due to the vacancy of the Cultural Development Officer position in early 2013, there have been some project/progress delays.	Continue to review and implement.
Engage with the indigenous community to provide improved opportunities and outcomes	✓	Ongoing success with the ASHE Mentoring program. Implementation of the six identified priorities. Council was nominated as a finalist in the Wurreker Awards 2012 – Local Government Award.	Ensuring communication processes are adhered to.	Continue to implement 6 priorities and strengthen partnerships with community organisations.
Ensure Council activities support and enhance its reputation for cultural harmony and inclusiveness.	✓	Greater Shepparton City Council was awarded a Victorian Multicultural Award for Excellence in December 2012 for our work in the cultural development space and how committed we are to building a strong culturally diverse community. The Emerge Festival brought the whole community together to celebrate cultural difference and provided an opportunity for local cultural groups and artists to participate in performances. Approximately 4,500 attended the Festival which showcased over 100 performers from a wide range of cultures.	Ensuring all cultures are represented and included in actions.	Continue to work with partner organisations. Continuing to maintain our work in this space.
<i>Enhancing our community's safety</i>				
Finalise a Community Safety Plan and pursue implementation of the outcomes through the Community Safety Committee.	✓	The Safer City Strategy was adopted in 2011. Actions continue to be implemented through the Community Safety Committee. Continued to foster a strong working relationship with a number of partners on a number of different projects including the Street Rider late night bus service.	The Safer City Camera Project has consumed a majority of time throughout the past 12 months, therefore placing strain on initiatives.	Developing a new Community Safety Plan as the current plan concludes in 2014.
Review the Emergency Management Plan to ensure its ongoing relevance.	Ongoing	Through the employment of a shared officer, Emergency Management Co-ordinator, working across Greater Shepparton and Moira Council's a review of Council's abilities to respond to Emergency situations is currently underway.		This review will be on-going along with co-ordination of the on-going recovery from the 2012 flood event. A Hume regional Municipal Emergency Management group has also commenced meeting to ensure shared knowledge and resources in any future emergency. Council's current Municipal Emergency Management Plan will be audited in August 2013.

ACTIVITIES	RESULTS	ACHIEVEMENTS / OUTCOMES	CHALLENGES	THE FUTURE
<i>Facilitating inclusiveness & social connectivity</i>				
Develop a new Universal Access Plan and implement the identified outcomes and objectives. Pursue the highest standard of accessibility and inclusion for all services and activities.	✓	The Draft Universal Access and Inclusion Plan was released by Council for public comment in June 2012. The final Universal Access and Inclusion Plan will be presented to Council at the September Council meeting for adoption.	Delays in developing the Plan, due to a number of factors.	Implementation of the plan.
Implement the Positive Ageing Strategy outcomes and objectives.	✓	The Positive Ageing Strategy continues to be implemented with the direction from the Positive Ageing Advisory Committee, who annually review the actions of the plan and drive initiatives.

ACTIVITIES	RESULTS	ACHIEVEMENTS / OUTCOMES	CHALLENGES	THE FUTURE
Review the needs of the community for the variety of services provided to seniors.	✓	<p>Services to seniors are reviewed regularly and continue to be delivered in line with funding body guidelines.</p> <p>We continue to be a member of the GV Aged Care Planning Group working with member agencies to achieve a consistent approach to service planning and development for older people.</p> <p>A waiting list for Home Care Services was developed following the reduction in indexation and the inability to fund from Council resources. Over the course of the financial year we have been able to reduce the number of clients on our waiting list from approximately 80 to 51.</p> <p>Meals on Wheels continues to be offered to residents within our municipality with approximately 30,000 meals delivered per annum.</p> <p>Social Connections provides social interactions for people living in the community frail aged or with a disability.</p> <p>Our Home Safety Services team won the 2012 Fire Awareness Awards in the Community / Aged and Disability category for their Fire Safety for home and Community Care clients program. This program is delivered in partnership with the CFA.</p>	Commonwealth Governments Aged Care reforms.	Monitor the Aged Care Reforms and impact (if any) on service delivery.
Utilise a community development model to support relevant groups in the pursuit of their objectives.	✓	<p>Funding agreement and Memorandum of Understanding developed with the five Neighbourhood Houses.</p> <p>Council approved 29 Matching Grant applications throughout 12/13. Some projects included: Tatura Men's Shed, Men in the Kitchen; Dookie United Football/Netball Club, Mum's Return to Netball; Undera Primary School, Linking the Generations; Tallygaroopna Golf Club, Golf House Repairs.</p>	Development of user friendly application form.	<p>Continue to support houses to provide grassroots initiatives.</p> <p>Review of Matching Grants Guidelines.</p>
Implementation of the Youth Strategy and Action Plan.	In Progress	<p>The Youth Strategy and Action Plan was adopted by Council.</p> <p>The strategy will ensure young people are represented, consulted and considered in council strategic activities such as the Council Plan, Community Plans, and other strategies such as those for the CBD and the Environment.</p>	A vacancy in the Youth Development Officer position has limited the implementation of any of the actions.	The YDO position will be filled in the near future and the strategies and actions will be undertaken as part of the Council Plan to work with young people and the agencies that work with them to ensure opportunities for education, employment and social engagement are maximised.

ACTIVITIES	RESULTS	ACHIEVEMENTS / OUTCOMES	CHALLENGES	THE FUTURE
Smaller Towns Big Future				
Adequately support and resource community engagement activities.	✓	New position, Neighbourhood Planning Co-ordinator to lead the community development team including supporting the future introduction of Neighbourhood Planning. Council has endorsed a total of 10 Community Plans: <ul style="list-style-type: none"> - Dookie Community Plan - Katandra West Community Plan - Merrigum Community Plan - Mooroopna Community Plan - Murchison Community Plan - Sevens Creek Neighbourhood Plan - Tallygaroopna Community Plan - Tatura Community Plan - Toolamba Community Plan - Undera Community Plan 	Individuality of each community.	Review of Community Planning processes for more comprehensive support of each individual community plan. Currently supporting the Congupna community to develop their Community Plan.
Continue to work with our regional communities to deliver events and activities to attract people to the area.		Three Summer Film Festivals evenings were held at Shepparton's Victoria Park Lake, Days Mill Murchison and the Quarry in Dookie attracting over 3,000 attendees.		Tatura and Mooroopna to be included in the 2013/2014 season.
Continue the program of small town entry landscaping and signage works.	Ongoing	Undera Entry Signs have been installed.		Design in progress for Toolamba Entry Signs. Murchison Community Plan Committee pursuing landscaping design for possible works in 2013/2014.
Develop a joint funding model for a Katandra Community Centre and pursue funding.	Ongoing	Funding options have been identified and application's made to both State and Federal Governments to support the Katandra Community Centre development in 2013/14.	Federal and/or State Government funding required to support the project.	Council Officers from both the Community Directorate and Recreation continue to work with the community to seek further funding opportunities.
Engaging our community				
Development of the 2013 – 2017 Council Plan.	✓	Council staff undertook an extensive community engagement process to help shape the development of the 2013-2017 Council Plan. This process engaged with over 10,000 residents and included visiting approximately 200 community events/meetings/activities throughout the months of July and August 2012 to gauge community ideas about how we can make greater Shepparton an even greater place. An overwhelming response was received with almost 2,500 surveys submitted. Additional Consultation was conducted in Feb/March 2013. Staff contact 1362 people and attended 49 groups / events during this period. A further 33 written responses were received.		Evaluation of the process. Implementation of the plan over the next four years.

ACTIVITIES	RESULTS	ACHIEVEMENTS / OUTCOMES	CHALLENGES	THE FUTURE
Creating Opportunities and Increasing Access				
Work with local businesses and education providers to increase the range of locally available education options and promote lifelong learning.	✓	Developed, printed and distributed, in partnership with local Tertiary Education providers, 'Keys to Your Success' – an education prospectus promoting availability of courses in Shepparton.		Annually update and market local education opportunities.
Implementation of Universal Access to Early Childhood Education – 15 hours of kindergarten (UAECE15).	✓	UAECE15 was implemented in 11 of Council's 14 kindergartens in 2013. 365 children of the 496 children attending kindergarten in Council services have had access to 15 hours of kindergarten.	The required fee level continues to impact on some families. The staged implementation of fee increases will alleviate some of this concern. Quality staffing has been a significant challenge in this initiative. We will continue to support staff development through qualification upgrades and continuous in-service training	The remaining services will offer 15 hours of kindergarten in 2014. Additional elements of the Council of Australian Governments Early Childhood plan will be implemented over the next two and a half years.
Provide access to a broad range of performances and productions to enrich our community's experiences.	✓	The Riverlinks Volunteer Recognition Program was successful in recognising the efforts of community volunteers. It also contributed to the personal wellbeing by providing them a well-earned "break from the day to day" through live theatre and entertainment. The "Little Bit of Blue" school incursion program contributed to the education and participation of school children by encouraging creativity and exploration of ideas. The success of the partnership between Riverlinks and the Goulburn Valley Concert Orchestra reached a new benchmark with record attendances at the Sunday Chamber Concerts and the GVCO Annual Concert. The GVCO has reported that the partnership has assisted them to focus on artistic excellence and this has led to higher levels of participation in the arts (musical education and performance).		
Develop a community bus network.	✓	A community Bus network from small outlying towns was trailed as part of Transport Connections Phase 2.	It did not have the patronage that was required to make it viable over the medium term, hence funding for the service ceased.	

ACTIVITIES	RESULTS	ACHIEVEMENTS / OUTCOMES	CHALLENGES	THE FUTURE
Healthy and Active Lifestyle				
Implement Municipal Public Health Plan.	✓	The 2012-2013 stage of the Get Mooving program has been fully completed. This has included the implementation of the Beat It program which had over 430 registrations with programs in many townships across Greater Shepparton, the installation of equipment at Victoria Park Lake to support and encourage activity including table tennis tables, chess and the commencement of the activity area as part of the Western Park development, health checks were conducted on almost 100 people at over 20 community events of which nearly 70% were identified as having serious health risk factors and were referred to their GPs for follow up and support was provided to the establishment of community gardens at the Tatura Community House, the Salvation Army in Shepparton and Yitjawudik Indigenous Men's Drug and Alcohol Rehabilitation Centre in Toolamba.		
Complete construction of the Aquamoves leisure pool and splash park.	✓	The Aquamoves Leisure Pool and Splash Park have been completed and were officially opened in December 2009. In 2012/2013 the pools had over 100,000 visits and the outdoor area in particular continues to receive strong positive feedback from Aquamoves visitors.		Continue to monitor and review the operations of Aquamoves to ensure it provides a range of facilities, services and programs reflective of a major regional aquatic centre.
Seek additional funding from other levels of government to progress the Aquamoves Master Plan, with priority on car parking.	Ongoing	\$500,000 in State Government funding via the 'Better Pools' program towards the leisure pool and splash park project. A number of unsuccessful submissions have been made for funding towards the car park re-development.	It has been difficult finding funding programs that match the re-development of the car park.	Continue to work towards the re-development of the car park and to explore any opportunities for external funding.
Promote riding and walking as viable and attractive alternatives to driving.	✓	The Healthy Communities and Activities In The Parks Programs run a series of events including pedometer challenge, twilight strolls, heart foundation walking and ride to work day that encourage and promote riding and walking.		Physical inactivity and poor nutrition will continue to be important areas of focus for the community in order to address rising prevalence of associated poor health outcomes.

ACTIVITIES	RESULTS	ACHIEVEMENTS / OUTCOMES	CHALLENGES	THE FUTURE
Develop plans and feasibility studies for the re-development of the Shepparton Sports Stadium.	✓	Master plan and feasibility has been completed to draft stage and is currently undergoing final rounds of community feedback prior to adoption.		Once adopted the implementation of the master plan shall commence.
Implementation of the Best Start Early Years Plan: Action Area 1: All children enjoy a healthy start to life; To increase breastfeeding initiation and duration rates in Greater Shepparton. Action Area 2: All children re supported to become confident learners; To increase children's language and literacy skills before they start school.	✓	A pilot project in the south of Shepparton has made a significant impact on breastfeeding across the municipality – an average of 3% across all age groups to six months. A pilot project in the Mooroopna area has implemented a number of strategies to encourage enrolment and attendance at kindergarten. These have included information stands at local supermarkets and Centrelink, a kindergarten session in the target area and additional kindergarten teacher time to develop community relationships.	Parts of the community still harbour the view that breast feeding should be hidden away. In addition it is not uncommon for bottle feeding to be viewed as a sign of affluence. Strategies to encourage engagement vary broadly between families and multiple factors require consideration – solid data regarding the targeted communities is essential to maximise the benefits of these initiatives.	Continue to build community knowledge and awareness of the importance of breastfeeding – develop a community attitude of normalcy. This program has proven that we have strategies that do engage more vulnerable families. Often these involve additional resources. With the positive evaluation of programs we will be investigating funding sources to ensure the continuation and expansion of the successful strategies.
Continued delivery of Maternal and Child Health Services.	✓	Council continues to deliver a universal service through 7,693 Key Ages and Stages Framework Visits. The service has Implemented a pilot program in South Shepparton to support breastfeeding – breastfeeding café at Riverside Plaza, home visits by lactation consultants, and a breastfeeding plan template is now offered to new mothers for discussion between with midwives or lactation consultants prior to discharge from hospital. The Enhanced Best Start Maternal and Child Health service in Mooroopna is offering additional home visits and support services to families in the Mooroopna area.	Maternal and Child Health nurses are highly qualified professionals. Full staffing of services across the state is an ongoing issue. GSCC has provided four scholarships to midwives to complete the additional qualification. These four nurses are now working within the Greater Shepparton team. Parts of the community still harbour the view that breast feeding should be hidden away. In addition it is not uncommon for bottle feeding to be viewed as a sign of affluence. Developing ways to engage hard to reach clients is difficult as each family has different needs. However, additional time spent working with families does achieve positive results.	We have a drop in attendance levels at M&CH for the four month key age and stage visits. Improving this is now a key focus. Continue to build community knowledge and awareness of the importance of breastfeeding – develop a community attitude of normalcy. This program has proven that we have strategies that do engage more vulnerable families. Often these involve additional resources. With the positive evaluation of programs we will be investigating funding sources to ensure the continuation and expansion of the successful strategies.

ACTIVITIES	RESULTS	ACHIEVEMENTS / OUTCOMES	CHALLENGES	THE FUTURE
Greater Shepparton the Events and Entertainment Destination				
Continue to secure major events in positioning Greater Shepparton as a key regional eventing destination.	✓	<p>Events secured to the region through a competitive bidding process include:</p> <ul style="list-style-type: none"> • Formula 1 Grand Prix Visit • Under 19 National Road Cycling Championships • AFL Youth Girls National Championships • Pontiac National Car Club visit • Australian Cricket Association Masters Tour • Variety Club Bash • Football Federation Victoria Regional Challenge Cup (soccer) • Football Federation Victoria Champions League Gala (soccer) • Victorian Junior Motorcycle Championships 		<p>Major Events secured for 2013/14 include:</p> <ul style="list-style-type: none"> • Australian Veteran Car Rally (Sept 2013) • Country Week Tennis (Feb 2014) • Rotary Conference (March 2014) • BMX National Championships (Apr/May 2014)
Continue to increase the breadth and quality of majors events held throughout Greater Shepparton. Events to be diverse to promote visitation to the region as well as bring communities together.	✓	<ul style="list-style-type: none"> • 920,000 visitors to Greater Shepparton from July 2012 to June 2013. • Tourism & Events team assisted 270 events. • Total Economic impact from major events equated to \$33 million. • Event visitors in excess of 177,000. • Major Events supported include: <ul style="list-style-type: none"> - Australian National Piano Award - KidsFest - World Cup Show jumping Qualifier - Victorian Open Bowls - Campbell's Ironman 70.3 Shepparton Triathlon - Spring Car Nationals - Greater Shepparton Junior Basketball Tournament - International Dairy Week - SheppARTon Festival incorporating the Emerge Festival - National Welsh Show - Southern 7 Cutting Horse Show - Victorian Welsh Show - Victorian Appaloosa Championships - Victorian Quarter Horse Show - GV Summer Sizzler Quarter Horse Show 		

ACTIVITIES	RESULTS	ACHIEVEMENTS / OUTCOMES	CHALLENGES	THE FUTURE
Increase bookings at Shepparton Showgrounds and Tatura Park facilities.	✓	Tatura Park bookings increased by approximately 12% from 47 to 54 bookings. Shepparton Showgrounds events have increase by approximately 10% from 65 to 72 bookings.		
Promote the Greater Shepparton region at various Trade Show events.	✓	Greater Shepparton and our facilities/ events were promoted at various Trade Shows including: <ul style="list-style-type: none"> • Go Bike Expo • Australasia Incentives Meeting & Events Expo • Meeting Mart • Equitana Asia Pacific • Bendigo Camping and Caravan Show • Victorian Camping and Touring Super Show

ACTIVITIES	RESULTS	ACHIEVEMENTS / OUTCOMES	CHALLENGES	THE FUTURE
Creation of a "History and Heritage" Trail.	✓	Developed by the Visitors Centre, the History and Heritage Trail provides a suggested self-drive touring itinerary which includes many of Greater Shepparton's key historical features.		The guide will continue to be distributed through the Visitors Centre and online at www.discovershepparton.com.au . The trail will be advertised in the Victorian Cultural Guide 2013-14, and the local publication "52 Greater Discoveries".
Mooroopna Aboriginal History Walk Interpretation Signage – "The Flats".	✓	Several interpretive signs have been installed along the route of the Mooroopna Aboriginal History Walk, in the area known as the "Flats" in partnership with Parks Victoria, Yorta Yorta and River Connect.	This project involved extensive research and consultation with local indigenous representatives and state and national museums.	
Destination Marketing to be undertaken.	✓	Several interpretive signs have been installed along the route of the Mooroopna Aboriginal History Walk, in the area known as the "Flats" in partnership with Parks Victoria, Yorta Yorta and River Connect. This project involved extensive research and consultation with local indigenous representatives and state and national museums.		Distribution of the Guide will continue throughout Greater Shepparton, and Visitor Information Centre's Victoria-wide.
Introduction of the inaugural biennial Greater Shepparton Cultural Heritage Awards.	✓	<p>The Awards recognise outstanding contributions to cultural heritage conservation, research, education, promotion, interpretation, training and awareness-raising within the municipality.</p> <p>The Awards aim to promote the benefits of cultural heritage conservation by highlighting good practice conservation examples and guidance, as well as offering the owners or guardians of our cultural heritage recognition of their invaluable work.</p>		
Pursue renewable energy objectives and work towards the supply of all Council sites with 100 % "green" electricity.	Ongoing	Council currently purchases 10% green power and has been concentrating on improving its energy sustainability. Council continually assesses the energy usage of its larger facilities and has implemented a number of energy saving features in each of these, e.g. voltage management in the Welsford Street office, solar panels at Doyles Road Complex and a co-generation plant is to be installed at Aquamoves.		

STRATEGIC OBJECTIVE 4

Economic Development

To promote economic growth, business development and diversification, with a focus on strengthening the agricultural industry.

HIGHLIGHTS

KidsFest attracted 15,000 visitors over 2 days in September.

Formula One raced into Shepparton in March in hosting the Swisse F1 V8 Supercar.

4,000 – 5,000 people attended the Winter City Market.

5,000 – 6,000 people attended the Summer City Market.

\$150,000 of Shepparton Show Me sponsorship funding allocated to events that attracted approximately 70,000 people to Shepparton.

39 jobs created with the construction of Australian Consolidated Milk (ACM).

40,000 visitors assisted by the Visitors Information Centre.

Buy Local campaign launched in Mooroopna including Mooroopna Money partnership.

131 people assisted to find jobs or training opportunities as part of the Shepparton Jobs and Skills Drive.

Visitors Information Centre finalists in the 2012 Victorian Tourism Awards recognising dedication and on-going commitment to professional excellence.

Visitor Information Centre engaged 30 volunteers over the 2012/13 period, delivering 5,000 hours of frontline visitor information at the centre and major events.

Visitors to Greater Shepparton indicated that 70% would be likely to return and 45% ended up staying longer than planned.

SAM awarded prestigious Archival Survival Award for Small Museums in August in recognition of the redevelopment and rebranding and excellent exhibition and public programing.

Presentation of SAM's first flagship international exhibition – The Golden Age of Colour Prints Ukiyo-e - attracting 72% of visitors from outside Greater Shepparton, with 30% of visitors staying overnight contributing to the economy. 98% of attendees rated the exhibition as very good or excellent.

ACTIVITIES	RESULTS	ACHIEVEMENTS / OUTCOMES	CHALLENGES	THE FUTURE
------------	---------	-------------------------	------------	------------

Attracting Investment

<p>Continue to promote Greater Shepparton as an important regional centre, with the capacity to support significant population growth. Continue to work with Regional Development Victoria and other government agencies to identify and attract new businesses.</p>	<p>✓</p>	<p>Australian Consolidated Milk (ACM) commenced construction of new UHT milk processing facility, creating an initial 39 jobs, with potential of 100 jobs to be created.</p> <p>In April Investment Attraction participated in the Regional Victoria Living Expo to showcase the opportunities available for people to live, work and invest in Greater Shepparton. Almost 10,000 people attended. As a direct result of Council's participation in the event, we went onto host 17 people expressed an interest in either moving or starting up a business in the area.</p>	<p>Continue to work with Regional Development Victoria to attract new businesses.</p>
---	----------	--	---

Stimulating Business and the Economy

<p>Continue implementation of CBD Strategy recommendations with a priority on CBD parking.</p>	<p>In Progress</p>	<p>Bus Interchange and Maude Street concept designs endorsed by Council for consultation.</p>	<p>Retail strategy to commence later in 2013. Car Parking Strategy being developed.</p>
<p>Continue to develop and implement a range of business expansion and retention initiatives.</p>	<p>✓</p>	<p>Co-ordination of Summer and Winter City Markets to increase retail activity in the CBD.</p> <p>Co-ordination of Greater Shepparton Business Centre to encourage entrepreneurial activity and assist small business start-up.</p> <p>Work with business and industry to attract State and Federal Government funding to assist with implementing efficiencies and overcoming issues that affect competitiveness.</p> <p>Co-ordinated 'Farmers in Transition' workshop to provide a forum for information about diversification opportunities to be disseminated and discussed.</p>	<p>Continue to co-ordinate Summer and Winter City Markets.</p> <p>Continue to coordinate and market services available at Greater Shepparton Business Centre.</p> <p>Continue to work with local business and industry to assist them with ongoing viability and growth.</p>

Key Achievements

ACTIVITIES	RESULTS	ACHIEVEMENTS / OUTCOMES	CHALLENGES	THE FUTURE
Review and refreshed direction of Shepparton Show Me in positioning Shepparton as THE Premier place in regional Victoria to do business, shop, dine, stay, work and play.	✓	<p>Succession of robust campaigns including:</p> <ul style="list-style-type: none"> • Step Up • Father's Day Open • Show Ho Ho Me Quizza • Motor City • Celebrate Mums <p>Provision of \$150,000 of sponsorship funding for key events such as Victorian Open Bowls Championships, Greater Shepparton Basketball Association Junior Tournament, KidsFest and the Shepparton Garden and Leisure Expo.</p> <p>In November 2012 the Shepparton Show Me Committee engaged a consultation to assist in developing a five year marketing strategy for Shepparton Show Me. With the strategy now in place Shepparton Show Me will be undertaking a more strategic and planned approach to marketing and increasing communication with stakeholders.</p>	A review of Shepparton Show Me conducted in the latter part of 2012 brought a number of changes to the Committee's operations. The review provided the Committee with valuable feedback resulting in more effective and strategic operations.	<p>New Shepparton Show Me Marketing Co-ordinator to be employed.</p> <p>18 month marketing plan to be developed with input from Shepparton Show Me members</p> <p>Shepparton Show Me member Communication Strategy to be developed.</p>

Strategic Growth of Arts, Events and Tourism

Continue to increase the breadth and quantity of major events held throughout Greater Shepparton.	✓	KidsFest, held at SPC Ardmona KidsTown with up to 15,000 visits over 2 days, half of which are travelling from outside the Greater Shepparton region continues to grow and develop into a significant major event and is amongst the most popular children's festivals in Australia.		The expansion of the festival to a longer duration and over more sites and venues will see KidsFest continue to grow and develop as a significant major event.
Provision of assistance to visitors to maximise their experiences in Greater Shepparton.	✓	The Visitor Information Centre serviced nearly 40,000 visitor enquiries (walk in, phone and email) and 40,000 unique visitors to the 2 destination websites (www.discover/shepparton.com.au and www.sheppartonmooovingart.com.au)	The loss of the Visitor Information Centre due to a deliberately lit fire in May 2013.	A new Visitor Information Centre to be planned and established in line with industry best-practice.
Development of tourism partnerships to position Greater Shepparton as a premier tourism destination.	✓	Council partnered with Tourism Greater Shepparton (local tourism association) to provide sponsorship and support of Greater Shepparton Tourism Month and production of the "52 Great Discoveries" publication.		Council has elected representative on the board of Tourism Greater Shepparton.

ACTIVITIES	RESULTS	ACHIEVEMENTS / OUTCOMES	CHALLENGES	THE FUTURE
<p>Ensure that the Performing Arts and Art Gallery activities continue at a high level and provide diverse programs.</p>	✓	<p>Shepparton Art Museum (SAM) has had an extremely busy 12 months in providing a diverse range of experiences for our community and beyond:</p> <p>Exhibitions:</p> <ul style="list-style-type: none"> • Tom Nicholson and Rafeaat Ishak: Proposition for a Banner March and a Black Cube Hot Air Balloon – 12 July to 9 September 2012. • Smash Hits: 80s and 90s ceramics from the collection - 26 July 2012 to 20 January 2013. • The Drawing Wall #9: Agatha Gothe-Snape - 2 November 2012 to 28 January 2013. • North by North East - VCE Art & Studio Arts 2012 - 29 November 2012 to 3 February 2013. • More Than Friends – 29 November 2012 to 3 February 2013. • Occasional Miracles: Contemporary Artists Respond to the SAM Ceramics Collection – 8 February to 30 June 2013 • Crawling Through Mud: Australian. Ceramics and the Japanese Tradition – 26 January 2013 to 19 January 2014. • The Golden Age of Colour Prints: Ukiyo-e from the Museum of Fine Arts, Boston – 7 March to 2 June 2013. • The Drawing Wall #10: Andrew McQualter – 8 February to 21 April 2013. • Speaking in Colour: Works from the Collection of Carrillo and Ziyin Gantner – 21 June to 25 August 2013. <p>Engagement:</p> <ul style="list-style-type: none"> • Number of visitors: 50,212. • Total number of community group tour visitors: 640. • Total number of school group tour visitors: 2,211. • Number of participants in workshops and floor talks held: 1,590. • Number of SAM workshops held: 135. • Friends of SAM memberships: 277. 		<p>Council Staff continue to investigate and scope a feasibility project for the future location of SAM with further work to be undertaken in 2013/2014.</p>

STRATEGIC OBJECTIVE 5

Infrastructure

The provision of urban and rural infrastructure to enhance the performance of the municipality and facilitate growth.

HIGHLIGHTS

\$7.19 million Regional Development Australia Fund bid successful to fund the Regional Sports Precinct Development.

Resealing of roads totalling 44,8876 sqm / 77 kms.

Construction of roads totalling 102,879 sqm / 16.6 kms.

Gravel Re-sheeting totalling 164 kms.

Kerb and channel totalling 2751 m / 2.7km.

Footpath renewal totalling 4.8 kms.

650 street trees planted.

72 playgrounds maintained.

4 skate parks maintained.

10 pieces of public exercise equipment maintained.

4,967 hours spent conducting public toilets maintenance.

31 sports fields maintained.

119 parks maintained.

Mall sweeping conducted 52 weeks per annum @ 6 days/week at an average of 3 hours per day = 936 hours per annum.

ACTIVITIES	RESULTS	ACHIEVEMENTS / OUTCOMES	CHALLENGES	THE FUTURE
Complete functional and detailed design for Stages 1-6 and 1 to 3 respectively of Goulburn Valley Freight and Logistics Centre (GV Link).	✓	Functional design completed for all six stages and detailed design completed for first three stages including all statutory approvals at 30 June 2013.		Construction to proceed once funding arrangements resolved and land sales finalised.
Complete activity management plans for all Council assets.	✓	Estimated long term renewal demand based on asset condition included in Strategic Resource Plan and revaluation of infrastructure assets completed for accounting purposes.	Minimising Council's asset renewal infrastructure gap.	Updating asset management plans based on outcomes from service planning process.
Work with the community and VicRoads to ensure delivery of the Midland Highway duplication between Florence Street and Doyles road.	✓	Duplication works of \$4.9M completed on time and officially opened in July 2013.	Work with State and Federal governments to secure further funding for duplication of the roundabout at Midland Highway/Doyles Road to complete project scope.	Lobby for Midland Highway to be duplicated east of Doyles Road to Central Avenue Shepparton East.
Continue to implement master plans prepared for recreation reserves and sports facilities.	In Progress	\$7.19 million Regional Development Australia Fund bid successful to fund the Regional Sports Precinct Development. Functional design completed. Regional Development Australia Fund bid successful.	The previous federal government didn't sign off the funding agreement prior to going into caretaker mode.	Council now needs to work with the incoming Federal Government to ensure that the project proceeds.
		After a significant planning and consultation program the draft Shepparton Sports Stadium Master Plan has been submitted to the Active Living Department as of June 2013.	Federal and/or State Government funding will be required to support this project.	The plan is currently undergoing some small revisions before being presented to Council. Final community consultation will then occur.
Maintenance and upgrading of the MoovingArt exhibition.	✓	The "Great MoovingArt Round Up" – a treasure hunt for cows during school holidays September 2012.	Ageing herd.	MoovingArt continues to be popular with visitors and increases its profile / recognition.

ACTIVITIES	RESULTS	ACHIEVEMENTS / OUTCOMES	CHALLENGES	THE FUTURE
Development of a Rural Land Use Strategy.	✓	<p>Greater Shepparton City Council voted to amend farm zones planning regulations to protect rural farming land from inappropriate development.</p> <p>While the minimum lot size of subdivisions of farm zoned land will remain at 40 hectares, owners who wish to build a residence will need to seek a planning permit when their lot size is below the new minimum of 60 hectares.</p> <p>The recommendation of the strategy to limit subdivision of farming land is based on the understanding that subdivision of farming land for "hobby farms" can make the land less attractive to agribusiness investment because it reduces the scale of production that permits costs to be reduced.</p>		
Upgrade to Shepparton Court House to accommodate for increasing demand.	In Progress	Shepparton Court redevelopment received \$2.5 million for the State Government to assist with scoping the overall objectives of the project.	This amount of funding is only sufficient to undertake scoping work not to undertake the actual redevelopment required.	Further government funding is required for the redevelopment to be undertaken.
Establish a set service standards for rural roads.	Ongoing	Service Levels have now been established in the Inspection Maintenance Service Level Plan which was presented to Council in February. Over the past four months work has been done to modify the Confirm Software to support hand held devices used by staff in the field, and both indoor and outdoor staff have received training.		Through June the new system was tested and has now become the formal way of delivering maintenance services as at 1 July 13. Service levels will be reviewed on an ongoing basis.
Complete activity management plans for all Council assets.	✓	Asset Management Plans have been completed for Parks and Open Space, Transportation, Aquatics, Sport and Recreation, Buildings, Fleet and Plant, Drainage and Information Communications Technology.		

STRATEGIC OBJECTIVE 6

Council Organisation and Management

To deliver best practice management, governance, administrative and financial systems that support the delivery of Council programs to the community of Greater Shepparton.

HIGHLIGHTS

Council low financial risk as assessed by the Victorian Auditor-General's Office (VAGO).

Hosting visits with the Premier of Victoria, Hon Dr Denis Naphine and Daniel Andrews, Leader of the Victorian Opposition.

Budget Community Information sessions held in Shepparton, Dookie, Tatura, and Mooroopna.

Two Public information sessions held to discuss the Rating Strategy Review.

Election of new Council for the next four years.

Development of the Good to Great organisational vision.

Good to Great organisational transformation - Of the 117 Transition Plan strategies 56% of the tasks have been completed to date. Work has commenced on all tasks.

Creation of new leadership positions, both Executive and Senior Management.

Streamlining and alignment of business practices through the introduction of InterPlan and InfoCouncil.

ACTIVITIES	RESULTS	ACHIEVEMENTS / OUTCOMES	CHALLENGES	THE FUTURE
Best Practice Financial Management				
Review Council's Rating Strategy	✓	The development of Council's Rating Strategy 2013 2017 was informed by a Rating Strategy Reference Group and public feedback to Rating Strategy Discussion Paper.	To achieve a more equitable distribution of the rate burden the rates paid by some property types will increase while the rates paid by other properties will decrease.	Changes to the existing rating structure will be implemented over a two year period.
Review the "user pay" system for fees and charges.	✓	Annual review of user fees and charges undertaken as part of the development of the annual budget to ensure fees balance service costs, community benefit and legislation.	Maintaining user fees at a level that recovers some of the service delivery costs while balancing the community's capacity to pay.	Annually reviewing the level of existing fees and charges and investigating new revenue sources.
Develop a long-term financial plan.	✓	A more comprehensive Strategic Resource Plan was prepared adopted by Council as part the Council Plan 2013-2017 following public consultation.	Maintaining Council's financial sustainability while still achieving the Council's strategic objectives as specified in the Council Plan.	Council's long term financial plan will be reviewed and updated annually.
Our Citizens Our Focus				
Continue to promote the Council's 'Customer First' commitment.	✓	As a continuation of the organisational scan, strategies are being reviewed with a focus on strengthening the quality of our Citizen Services relationships across the whole of organisation.	Changing existing practices to achieve better results for the citizen	Implementing a "Citizen First" commitment to the delivery of our services
Streamlining systems and processes				
Review our information services strategy to ensure organisational efficiencies are maximised and the community's expectations are met.	✓	An Information Communications and Technology Strategy 2013 2018 was prepared to prioritise the ongoing development of information technology systems to support the delivery of Council services.	Change in strategy focus from ICT infrastructure to the ongoing development of core systems.	The Strategy is a living document requiring annual review and prioritisation of initiatives within available resources.

ACTIVITIES	RESULTS	ACHIEVEMENTS / OUTCOMES	CHALLENGES	THE FUTURE
Develop and implement systems and procedures to ensure that Council decision making remains transparent and accountable to the community.	✓	<p>Council's Citizen Services and Infrastructure Services areas continue to review the software packages Confirm, Pathway and Merit to ensure that maximum benefit is being made of the packages across the organisation to support the provision of best practice services.</p> <p>Integrated Business software that will provide business planning, coordination and reporting provisions for the organisation to improve the reporting requirements to Council and the community is currently being implemented across the organisation for reporting on 2012/2013 Council Plan, Key Strategic Activities and Transition Plan tasks which were assigned as part of the organisational review conducted in 2012. The software will also be utilised for developing departmental Business Plan early in the 2013/2014. The development of an agenda management system has been completed and is being rolled out to the organisation for implementation from 1 July 2013.</p> <p>InfoCouncil currently being implemented and training taking place. Implementation date is 1 July and includes all Executive and Council briefing and meeting agendas.</p>	The current established systems.	Further enhancements to newly installed solutions and ongoing review of the opportunities for improvement to existing systems.
Maintain the Council's position as an industry leader in the identification and management of risk.	✗	<p>The introduction of "The Vault" risk management software solution commenced in February 2013 and final population of data is currently being completed for rollout during July 2013. The availability of this system will enable council to have an easily managed database which will be utilised to collect information and manage the identified organisational risks.</p> <p>The outcomes of recent audits undertaken throughout council will be incorporated into "The Vault" along with issues that arise from future incidents and audits to enable monitoring of actions taken by assigned staff to manage the risks identified. The processes undertaken by the Risk Management team and Occupational Health and Safety Officer continue to be of a high standard.</p>	The vast spread of information across the organisation and the need to ensure all data is captured to enable the system to provide the appropriate level of response to issues raised and corrective/management actions required to be implemented	The full rollout of this system in the 2013-14 year including appropriate training to staff across the organisation to ensure understanding and acceptance of the value that this system presents.

ACTIVITIES	RESULTS	ACHIEVEMENTS / OUTCOMES	CHALLENGES	THE FUTURE
Ensure the integrity of Council's records.	×	Council is a member of the MAV Step Program which monitors Council's compliance with legislative requirements and best practice. Internal Audit recently completed (December 2012) in relation to legislative compliance which identified opportunities for improvement in record management statutory processes. The results of this audit have been presented to Executive Management through the Audit Committee and recommendations noted for implementation.	The finalisation of the reviews and measured response to the finalisation of those reviews.	Complete the MAV Step Program Audit and consolidate outcomes with those raised through the 2012-13 Internal Audit and commence prioritised implementation.
Promote an organisational culture of effective decision making and inclusiveness.	✓	Organisational scan completed. The organisation Transition Plan was adopted by Council at its meeting of July 17, 2012. The management plan continues to be implemented. A great deal of work continues throughout the organisation cementing the new structure and implementing the positive lessons learnt from the scan and opportunities that have been identified over the past year. Various communication tools eg cross organisational working groups and training are being used in ongoing implementation of systems to support the cultural change required to enhance effective decision making and inclusiveness.	To continue to maintain the effort and ongoing improvement across the organisation	On-going implementation of the Transition Plan until completion then ensuring the continuous review of systems introduced to ensure ongoing benefit to the organisation and community.
Continuous improvement commitment				
Promote continuous improvement throughout the organisation.	Ongoing	Under the new organisational structure a new area has been created which will concentrate effort on the provision of business planning which will include the application of continuous improvement across the organisation. The completion of tasks associated with the transition plan, currently underway, will lead the organisation into a framework of business plan development and service review that will provide a valuable internal look at the services delivered to and for the community. This will ensure that through the development of supportive policy, process and procedures, structures and services to deliver best value to the community will be established.	The continued desire for ongoing improvement across the organisation.	Complete the implementation of the Corporate Performance structure to support Business Planning including service profiles and reviews which will develop robust service plans in consultation with the organisation and community, establishing plans and procedures to support the highest standard of service delivery meeting the agreed expectations for the community.

ACTIVITIES	RESULTS	ACHIEVEMENTS / OUTCOMES	CHALLENGES	THE FUTURE
------------	---------	-------------------------	------------	------------

Advocacy

<p>Continue to lobby Victorian and Federal governments for a more suitable local government funding model.</p>	<p>Ongoing</p>	<p>With the formation of the Joint Select Committee of Federal Parliament to continue the review relating to Constitutional Recognition of Local Government, the new Council have been briefed and lodged a submission to the committee.</p> <p>The aim of the currently proposed amendment to the constitution is to provide for financial recognition of local government. This change would reinforce the current practice where the Federal Government directly fund local government where appropriate to do so.</p> <p>A referendum has been confirmed to be held on September 14, 2013 in association with the Federal Election. Council staff have undertaken a review of the Strategic Resource Plan to ensure a long term financial model was adopted as part of its 2013 2017 Council Plan including funding from all sources.</p>		<p>Ensure we can maintain representation and access to parliamentarians and the parliamentary system to enable timely representation of a range of issues affecting our communities and the delivery of service to the community.</p>
<p>Continued to lobby Victorian and Federal government to attract greater investment in Greater Shepparton in order to address economic and social issues and support future growth.</p>	<p>Ongoing</p>	<p>Council has developed an advocacy strategy which is currently being implemented.</p> <p>To date key initiatives have included:</p> <ul style="list-style-type: none"> • Commissioning and launch of a Greater Shepparton Economic Benchmarking Study Report. • Hosting the Premier of Victoria, Hon Dr Denis Napthine and The Hon Wendy Lovell. • Hosting a Victorian ALP delegation including Daniel Andrews, Leader of the Opposition. • Establishing the Northern Victorian Alliance – comprised of Greater Shepparton, Moria, Strathbogrie and Campaspe Shires. 	<p>Greater Shepparton is not included as a Major Regional City under the Regional Victoria Settlement Framework despite being the fifth largest regional centre.</p>	<p>The “Make Shepparton Greater” advocacy campaign is to commence being rolled out in October 2013.</p>

Key Achievements

Governance

Council Meetings

Council meetings are held at 5.30pm on the third Tuesday of each month including public question time.

Special Council Meetings are also held as required. Public questions can be submitted prior to the Council meeting.

There were 11 Ordinary Council Meetings and five Special Council Meetings in 2012/2013.

Weekly briefings are also held as well as a number of special committee meetings.

Council Committees

Council can appoint advisory committees and committees with special delegated power. There are 22 Section 86 committees made up of community volunteers. Most of the committees have delegated functions for community facilities such as recreation reserves, community centres and halls.

- Arcadia Community Centre Committee of Management
- Ballantyne Centre Committee of Management
- Bunbartha Recreation Reserve Committee of Management
- Caniambo Hall Committee of Management
- Central Park Recreation Reserve Committee of Management
- Congupna Recreation Reserve and Community Centre Committee of Management
- Development Hearings Panel
- Dhurringile Recreation Reserve and Community Centre Committee of Management
- Dookie Memorial Hall Committee of Management
- Dookie Recreation Reserve and Community Centre Committee of Management
- Harston Hall Committee of Management
- Karamomus Recreation Reserve and Community Centre Committee of Management
- Katandra West Community Facilities Committee of Management
- Kialla District Hall Committee of Management
- Kialla West Recreation Reserve Committee of Management
- Lemnos Recreation Reserve Committee of Management
- Murchison Community Centre Committee of Management
- Shepparton Show Me Committee of Management
- Tallygaroopna Memorial Hall Committee of Management
- Toolamba Recreation Reserve Committee of Management

Advisory Committees

Council also has 20 advisory committees with community representatives. Advisory committees provide advice to Council but, unlike a Section 86 committee, have no delegated authority. Committees are:

- Greater Shepparton Aerodrome Advisory Committee
- Arts Co-ordinating Group
- Audit and Risk Management Committee
- Cussen Park Advisory Committee
- Deakin Reserve Advisory Committee
- Greater Shepparton Disability Advisory Committee
- Festive Decorations Advisory Committee
- Greater Shepparton Health and Wellbeing Advisory Committee
- Greater Shepparton Heritage Advisory Committee
- Greater Shepparton Positive Ageing Advisory Committee
- Rating Strategy Reference Group
- RiverConnect Implementation Advisory Committee
- Greater Shepparton Safer Communities Advisory Committee
- Shepparton Regional Saleyards Advisory Committee
- Shepparton Art Museum Advisory Committee
- Goulburn Valley Highway Shepparton Bypass Action Group
- Sir Murray Burchier Memorial Advisory Committee
- Greater Shepparton Sustainability and Environment Stakeholder Reference Group
- Tatura Park Advisory Board
- Greater Shepparton Women's Charter Alliance Advisory Committee

Audit and Risk

Management Committee

The Audit and Risk Management Committee is appointed to provide the Council with additional assurance that the financial and internal procedures and systems of the organisations are in order, risks are identified and managed, and the organisation is complying with all laws and regulations affecting it.

The committee comprises two Councillors and three external independent people appointed by Council. The membership of the committee at 30 June 2013 is:

- Mr Peter Johnson, BA LL B (Chairperson)
- Mr Laurie Gleeson, CPA
- Mr Graeme Jolly
- Mr Geoff Cobbledick
- Cr Jenny Houlihan
- Cr Michael Polan

The committee reviews the activities of the independent internal auditor, Pitcher Partners, and external auditor (Auditor General Victoria) and reviews their work on an ongoing basis.

The annual internal audit program and the scope of the works to be performed is set by the committee and the committee reviews each of the reports made pursuant to that program.

The committee met four times during the year with the following activities carried out:

- Financial Statements, Standard Statements and Performance Statement for the year ended 30 June 2012 were considered and recommended 'in principle' adoption to Council.
- Received monthly risk management reports including insurance claims, lawsuits, whistleblower and privacy breaches.
- Received a presentation by the Victoria Auditor General on the management letter for year ended 30 June 2012.
- Received the Victoria Auditor General Acquittal report for the 2011/2012 Audit results.
- Received and considered Council's monthly financial reports.
- Received a report on the external Audit Strategy for the year ended 30 June 2013.
- Received Shepparton Show Me audit report.

Information Available for Inspection

Greater Shepparton City Council is committed to open and transparent governance. In accordance with the *Local Government Act 1989* and Part 5 Section 11 of the *Local Government (General) Regulations (2004)*, the following information is available for public inspection at Council's Welsford Street office:

- details of current allowances fixed for the Mayor and Councillors under section 74 or 74A of the Act;
- the total annual remuneration for all senior officers in respect of the current financial year and the previous financial year, set out in a list that states:
 - i. ranges of remuneration of senior officers, where the difference between the lower amount and the higher amount in each range must not exceed \$10,000; and
 - ii. the number of senior officers whose total annual remuneration falls within the ranges referred to in subparagraph
- details of overseas or interstate travel (with the exception of interstate travel by land for less than three days) undertaken in an official capacity by Councillors or any member of Council staff in the previous 12 months, including the names of the Councillors or members of Council staff and the date, destination, purpose and total cost of the overseas or interstate travel, including accommodation costs;
- names of Council officers who were required to submit a return of interest during the financial year and the dates the returns were submitted;
- names of Councillors who submitted returns of interest during the financial year and the dates the returns were submitted;
- agendas for and minutes of ordinary and special meetings held in the previous 12 months kept under section 93 of the Act except if the minutes relate to parts of meetings which have been closed to members of the public under section 89 of the Act;
- a list of all special committees established by Council and the purpose for which each committee was established;
- a list of all special committees established by the Council which were abolished or ceased to function during the financial year;
- minutes of meetings of special committees established under section 86 of the Act and held in the previous 12 months except if the minutes relate to parts of meetings which have been closed to members of the public under section 89 of the Act;
- a register of delegations kept under sections 87 and 98 of the Act, including the dates on which the last reviews under section 86(6) and 98(6) of the Act took place;
- submissions received in accordance with section 223 of the Act during the previous 12 months;
- agreements to establish regional libraries under section 196 of the Act;
- details of all property, finance and operating leases involving land, buildings, plant, computer equipment or vehicles entered into by the Council as lessor or lessee, including the name of the other party to the lease and the terms and the value of the lease;
- a register of authorised officers appointed under section 224 of the Act;
- a list of donations and grants made by the Council during the financial year, including the names of persons or bodies which have received a donation or grant and the amount of each donation or grant;
- a list of the names of the organisations of which the Council was a member during the financial year and details of all membership fees and other amounts and services provided during that year to each organisation by the Council;
- a list of contracts valued at \$100,000 (or such higher amount as is fixed from time to time under section 186(1) of the Act) or more:
 - i. which the Council entered into during the financial year without first engaging in a competitive process; and
 - ii. which are not contracts referred to in section 186(5) or (5A) of the Act.

Note:

The Act provides that an amount higher than \$100,000 may be fixed by Order in Council made under section 186(1) of the Act.

Our Commitment to Best Value

Council is committed to implementing the principles of Best Value in the delivery of services and programs to our community.

This was achieved during the financial year through the Good to Great organisational review and transformation. A major focus of the organisation scan was the review of current service planning and delivery levels. The outcomes of the scan informed the development of a Transition Plan with the overall aim of achieving a best practice approach to service delivery. The 117 actions detailed in the Transition Plan strive to achieve Best Value, and currently 56 per cent of the actions have been achieved, which is well ahead of the timeline set for completion.

National Competition Policy Compliance

Greater Shepparton City Council has complied with the requirements of the National Competition Policy (NCP) for the period 1 July 2012 to 30 June 2013, in accordance with the requirements outlined in National Competition Policy and Local Government (revised 2011).

Current Local Laws

Local Law No 1 Community Living

This local law provides for the administration of Council powers and functions, and for the issue of permits and infringement notices.

It prohibits, regulates and controls activities, events, practices or behaviour in places so that no detriment is caused to the amenity of the neighbourhood, nuisance to a person, or detrimental effect to a person's property.

It also prohibits, regulates and controls activities, events, practices or behaviour in the Maude Street Mall so that no detriment is caused to the amenity of the Mall.

It regulates the droving and movement of livestock throughout the municipal district, minimises the damage to road surfaces, formations, drainage, native vegetation and surrounding areas arising from livestock and to alert other road users to the presence of livestock on roads in the interests of road safety.

It also aims to enhance public safety and community amenity.

Local Law No 2 Processes of Local Government (Meetings and Common Seal)

This local law regulates and controls processes for the election of Mayor and chairpersons of committees, procedures for formal Council and committee meetings, and use of the Common Seal.

Local Law No 5 Drainage of Land

This local law enables better implementation of an exercise of power, under section 163(1) of the *Local Government Act 1989*, to define the obligations of a member of Council staff; and a person authorised by Council when entering land to investigate the carrying out of drainage works on or adjacent to or for the benefit of that land.

This local law defines what a member of Council staff; and a person authorised by Council may do once they have entered land to investigate the carrying out of drainage works on, adjacent to or for the benefit of that land, and provides for the peace, order and good government of the municipal district.

Freedom of Information

Greater Shepparton City Council maintains both paper based and electronic documents in respect to its operational, general administrative, financial and investment functions.

The disposal of these records is governed by the *Public Records Act 1973* and no records are destroyed or otherwise disposed of except in accordance with the relevant standards.

The *Freedom of Information Act 1982 (Vic)* gives any individual or organisation the right to access information held by Greater Shepparton City Council unless that information is deemed exempt under the Act.

The *Freedom of Information Act 1982* embodies the four following basic principles:

1. Members of the public have a legal right of access to information in documentary form.
2. Government departments and agencies are required to publish information concerning the documents they hold.
3. People may ask for inaccurate, incomplete, out-of-date or misleading information in their personal records to be amended.
4. People may appeal against a decision not to give access to the information or not to amend a personal record.

During the 2012 – 2013 financial year, Greater Shepparton Council received the following request for information:

Freedom of Information Activity 2012/2013

Whistleblowers Protection Act

Council is committed to the aims and objectives of the *Whistleblowers Protection Act 2001* and does not tolerate improper conduct by its employees, nor the taking of reprisals against those who come forward to disclose such conduct.

Council recognises the value of transparency and accountability in its administrative and management practices, and supports the making of disclosures that reveal corrupt conduct, conduct involving a substantial mismanagement of public resources, or conduct involving a substantial risk to public health and safety or the environment.

Council will take all reasonable steps to protect people who make such disclosures from any detrimental action in reprisal for making the disclosure, and will also afford natural justice to the person who is the subject of the disclosure.

Council conducted compulsory Whistleblower training for all full time staff, to provide them with an awareness of the Whistleblower Protection Act and the process surrounding the receipt of a protected disclosure.

The Act commenced operation on 1 January 2002, and procedures have been developed that establish a system for reporting disclosures of improper conduct or detrimental action by employees of the Council. These procedures are publicly available at the Council offices and website.

As at 30 June 2013, Council's Protected Disclosure Officers are the people holding the position of:

- Team Leader Governance;
- Manager People Performance; and
- Manager Corporate Performance.

The Protected Disclosure Co-ordinator is the Chief Executive Officer.

Whistleblower Activity 2012/2013

DESCRIPTION	NO.
Number and type of disclosures made to the Council during the year	1
Number of disclosures referred to the Ombudsman for determination	1
Number and type of disclosed matters referred to the Council by the Ombudsman for investigation	0
Number and type of disclosed matters referred by the Council to the Ombudsman for investigation	0
Number and type of investigations taken over from the Council by the Ombudsman	0
Number of requests made by a Whistleblower to the Ombudsman to take over an investigation by the Council	0
Number and types of disclosed matters that the Council has declined to investigate	0
Number and type of disclosed matters that were substantiated upon investigation and action taken on completion of the investigation	1
Any recommendations made by the Ombudsman that relate to the public body	1

Disclosure Relating to Contracts

Section 186 of *Local Government Act 1989* requires Council to seek public tenders before entering into contracts valued at greater than \$150,000 for goods and services and \$200,000 for works.

Councils are required to make available to the public a list of contracts above these amounts which were entered into during the financial year without first engaging in a competitive process.

Below are contracts which an internal review identified as potentially being above the specified amounts and which were not subject to a competitive tendering process.

Council has previously taken legal advice in relation to these contracts. In such cases this advice indicates that the potential breaches are defensible, as they resulted from either an aggregation of a number of smaller procurements, often from different areas of the organisation and all individually under the section 186 threshold amounts, or there were components of the expenditure which related to costs incurred by a service provider on Council's behalf and subsequently charged back to the Council, thereby inflating the cost of the procurement above the threshold. In the interests of transparency, the Council has elected to list the contracts below, in spite of legal advice that it is not necessary.

• Debt Collection

Debt collection costs in excess of \$150,000 were paid to Midstate Credit Management Services Pty Ltd, however a significant component of the charges relate to court costs incurred by Midstate on the Council's behalf and subsequently charged back to the Council by Midstate. Court costs are set by the Magistrates Court and are fully recoverable from debtors. Tenders for Debt Collection Services have been sought by Procurement Australia on behalf of Council.

• Other

There are other suppliers where amounts of greater than \$150,000 were spent that were not subject to a tender process. However the expenditure is based on aggregate purchases, all of which are under the tender threshold amounts.

Council operates within the requirements of Section 186 of the *Local Government Act 1989* and is focused on delivering value for money outcomes. An increasing number of tenders will be carried out for the provision of goods and services to Council.

Victorian Local Government Indicators

Financial Summary

Key highlights for Greater Shepparton City Council for the 2012/2013 financial year are:

Total Operating Expenses

\$96.36 million

Total Operating Revenues (excluding capital)

\$102.17 million

Capital Works completed

\$22.41 million

Total Capital Revenues

\$8.25 million

Council is in a sound financial position and returned a net surplus of \$14.06 million. This was primarily due to Council receiving early payments for government grants.

The total value of community assets increased to \$1.181 billion.

2012 – 2013 Operating Income

2012 – 2013 Operating Expenses

Performance Statement

	KEY STRATEGIC ACTIVITY	PERFORMANCE MEASURE	HOW DATA IS REPORTED
 SETTLEMENT AND HOUSING	1. Encourage innovative, appropriate, sustainable and affordable housing solution.	Implement recommendations from the Council's adopted Housing Strategy.	Develop an implementation plan/work program addressing short and medium term recommendations and provide an update report to Council.
	2. Encourage sustainable municipal growth and development.	Complete Structure plans for growth areas, including Developer Contribution Plans.	1. Complete North East and South East Growth Corridor structure plans and DCPs and present to Council for endorsement. 2. Commence Shepparton East interface investigation.
	3. Revitalise and promote the Shepparton CBD as the region's premier retail and entertainment destination.	Develop a process whereby developers are encouraged to acknowledge Aboriginal heritage and presence in urban design to enhance the visual appeal of the CBD.	1. Develop guidelines to encourage local Aboriginal community advice being sought in Aboriginal culture design as part of future developments. 2. Include Aboriginal heritage in the Precinct Structure Plans and Developer Contribution Plans developmental processes.
	4. Provide affordable and sustainable community infrastructure.	Develop a joint funding model for a Katandra Community Centre and pursue funding.	Complete the Katandra West Community Plan to establish the priority of the Community Centre. Present to Council for endorsement.
 SETTLEMENT & HOUSING	1. Develop and pursue strategies to improve community health and wellbeing	Get Mooving Greater Shepparton. In partnership with the Federal Government and key community agencies and Melbourne based sports clubs deliver a series of programs that encourage improved health and wellbeing focusing on physical education, nutrition and on-going capacity building.	Government Reporting Framework
	2. Embrace and strengthen cultural harmony and diversity.	Implement Year 1 Actions from the Adopted Cultural Diversity Strategy, to progress and enhance Councils reputation for cultural harmony and inclusiveness.	Report to Council

PERFORMANCE TARGET	OUTCOME	COMMENTS
June 2013	Not Achieved	The provisions of the Greater Shepparton Housing Strategy have been integrated into the Greater Shepparton Planning Scheme through Amendment C93 on 21 June 2012. An implementation plan is being developed to incorporate the remaining actions into the service and budget planning processes.
June 2013	Not Achieved	The Growth Areas Authority has been engaged to finalise documentation for the North East Precinct Structure Plan. This is expected to be completed in August 2013. The finalisation of the South East Growth Corridor Precinct Structure is expected to be completed in December 2013.
June 2013	Not Achieved	Action deferred pending completion of a flood study in the area by the Catchment Management Authority
June 2013	Not Achieved	Guidelines have not been developed, however close links have been established with the local aboriginal community who are consulted in relation to developments throughout Greater Shepparton by direct consultation, through the Cultural Heritage Management Plan (CHMP) process, or members of the community engaged on steering committees where relevant.
June 2013	Achieved	CHMP required for activities within or adjacent to culturally sensitive areas.
September 2013	Achieved	"Funding options have been identified and applications made to both State and Federal Governments to support the Katandra Community Centre development. Council continues to work with the community to seek further funding opportunities. The Katandra West Community Plan was endorsed by Council on 19 February 2013. The Community Centre is listed as the second priority in the plan."
June 2013	Achieved	The 2012-2013 stage of the Get Mooving program has been fully completed. This has included the implementation of the Beat It program which had over 430 registrations with programs in many townships across Greater Shepparton, the installation of equipment at Victoria Park Lake to support and encourage activity including table tennis tables, chess and the commencement of the activity area as part of the Western Park development. Health checks were conducted on almost 100 people at over 20 community events of which nearly 70% were identified as having serious health risk factors and referred to their GPs for follow up. Support was provided to the establishment of community gardens at the Tatura Community House, the Salvation Army in Shepparton and Yitjawudik Indigenous Mens Drug and Alcohol Rehabilitation Centre in Toolamba.
June 2013	Not Achieved	Council has programmed many activities and events that meet the objectives of the Cultural Diversity Strategy. A report highlighting the achievements from Year 1 of the Cultural Diversity and Inclusion Strategy and associated Action Plan will be presented to a Councillor briefing in September 2013.

SETTLEMENT & HOUSING

KEY STRATEGIC ACTIVITY	PERFORMANCE MEASURE	HOW DATA IS REPORTED
3. Provide affordable and sustainable community services.	Undertake a comprehensive community engagement process to determine levels of service across the organisation Departments to inform the development of service plans that align with community expectations in relationship to cost and quality of service delivery.	Organisational Service Plans completed.
4. Increase education and learning opportunities for our community.	Continue to work with education providers to increase the range of locally available education options and promote lifelong learning.	Report to Council on the progress of the implementation of the Tertiary Education Strategy.
5. Value Arts and Culture as an integral part of a dynamic community.	<p>Deliver a major international exhibition of Japanese prints in partnership with the Museum of Fine Arts, Boston.</p> <p>Deliver an expansive public and education program alongside the exhibition focusing on Japanese cultural history and designed around current Victorian education curricula.</p>	Report to Council on visitor numbers/ ticket sales, workshop attendance, education program attendance and visitor survey responses.
6. Revitalise and promote the Shepparton CBD as the region's premier retail and entertainment destination.	Continue implementation of CBD Strategy recommendations with a priority on CBD Parking.	<ol style="list-style-type: none">1. Adopt a Shepparton Retail Strategy.2. Develop CBD Issues and Options Paper3. Commence implementation of recommendations from the Victoria Park Issues and Options Paper, within budget4. Publish an updated Shepparton CBD Parking Map5. Seek authorisation from the Minister for Planning for an amendment to the Cash in lieu of car parking.6. Installation of new parking and wayfinding signage in the CBD

PERFORMANCE TARGET	OUTCOME	COMMENTS
December 2012	Not Achieved	Formal process to commence with the appointment of Team Leader Business Planning and Procurement scheduled for August 2013.
March 2013	Not Achieved	Leadership group objectives have been integrated into the Education Champions Group. Discussions are being held with KPMG regarding outcomes achieved in South Gippsland.
May 2013	Achieved	<p>In 2013 SAM presented the Golden Age of Colour Prints in partnership with the Museum of Fine Arts Boston. The exhibition was SAM's first experience in presenting a ticketed event. Attendance results indicated that approximately 70% of all visitors to the exhibition were from intrastate and interstate audiences illustrating the ability for cultural programming to attract visitation.</p> <p>An extensive series of workshops highlighting Japanese culture and influences within the western culture were presented during the Golden Age of Colour Prints. The workshop series included tea ceremonies, puppet making, calligraphy, painting along with other events and was very well attended.</p>

INDEPENDENT AUDITOR'S REPORT

To the Councillors, Greater Shepparton City Council

The Performance Statement

The accompanying performance statement for the year ended 30 June 2013 of the Greater Shepparton City Council which comprises the statement and the certification of the performance statement has been audited.

The Councillors' Responsibility for the Performance Statement

The Councillors of the Greater Shepparton City Council are responsible for the preparation and fair presentation of the performance statement in accordance with the *Local Government Act 1989* and for such internal control as the Councillors determine is necessary to enable the preparation and fair presentation of the performance statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

As required by the *Local Government Act 1989*, my responsibility is to express an opinion on the performance statement based on the audit, which has been conducted in accordance with Australian Auditing Standards. Those standards require compliance with relevant ethical requirements relating to audit engagements and that the audit be planned and performed to obtain reasonable assurance about whether the performance statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the performance statement. The audit procedures selected depend on judgement, including the assessment of the risks of material misstatement of the performance statement, whether due to fraud or error. In making those risk assessments, consideration is given to the internal control relevant to the entity's preparation and fair presentation of the performance statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the overall presentation of the performance statement.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Auditing in the Public Interest

Independent Auditor's Report (continued)

Independence

The Auditor-General's independence is established by the *Constitution Act 1975*. The Auditor-General is not subject to direction by any person about the way in which his powers and responsibilities are to be exercised. In conducting the audit, the Auditor-General, his staff and delegates complied with all applicable independence requirements of the Australian accounting profession.

Auditor's Opinion

In my opinion, the performance statement of the Greater Shepparton City Council in respect of the 30 June 2013 financial year presents fairly, in all material respects, in accordance with the *Local Government Act 1989*.

Matters Relating to the Electronic Publication of the Audited Performance Statement

This auditor's report relates to the performance statement of the Greater Shepparton City Council for the year ended 30 June 2013 included both in the Greater Shepparton City Council's annual report and on the website. The Councillors of the Greater Shepparton City Council are responsible for the integrity of the Greater Shepparton City Council's website. I have not been engaged to report on the integrity of the Greater Shepparton City Council's website. The auditor's report refers only to the subject matter described above. It does not provide an opinion on any other information which may have been hyperlinked to/from this statement. If users of the performance statement are concerned with the inherent risks arising from publication on a website, they are advised to refer to the hard copy of the audited performance statement to confirm the information contained in the website version of the performance statement.

MELBOURNE
25 September 2013

John Doyle
Auditor-General

Certification of the Performance Statement

In our opinion, the accompanying Performance Statement of the Greater Shepparton City Council in respect of the 2012/2013 financial year is fairly presented in accordance with the *Local Government Act 1989*.

The statement outlines the performance targets and measures set out in relation to the achievement of Key Strategic Activities in respect of that year described in Council's budget, and describes the extent to which the Key Strategic Activities were met in that year having regard to those targets and measures.

At the time of signing, we are not aware of any circumstances which would render any particular in the statement to be misleading or inaccurate.

Net cash provided by (used in) operating activities	27	23,654,151	29,714,593
CASH FLOWS FROM INVESTING ACTIVITIES			
Payments for property, plant and equipment, infrastructure		(22,407,572)	(25,680,400)
Proceeds from sale of assets		479,412	1,536,963
Net cash provided by (used in) investing activities		(21,928,160)	(24,143,437)
CASH FLOWS FROM FINANCING ACTIVITIES			
Proceeds from Interest-bearing loans and borrowings		-	3,000,000
Repayment of Interest-bearing loans and borrowings		(388,674)	(294,157)
Net cash provided by (used in) financing activities		(388,674)	2,705,843
Net increase(decrease) in cash and cash equivalents		1,337,317	8,276,999
Cash and cash equivalents at the beginning of the financial year		36,848,184	28,571,185
Cash and cash equivalents at the end of the financial year	28	38,185,501	36,848,184

The above statement of cash flows should be read with the accompanying notes.

Notes to the Financial Report

For the year ending 30 June 2013

The Greater Shepparton City Council was established by an Order of the Governor in Council on 17th November 1994 and is a body corporate. The Council's main office is located at 90 Welsford Street Shepparton.

The purpose of the Council is:

- to provide for the peace, order and good government of its municipal district;
- to promote the social, economic and environmental viability and sustainability of the municipal district;
- to ensure that resources are used efficiently and effectively and services are provided in accordance with the Best Value Principles to best meet the needs of the local community;
- to improve the overall quality of life of people in the local community;
- to promote appropriate business and employment opportunities;
- to ensure that services and facilities provided by the Council are accessible and equitable;
- to ensure the equitable imposition of rates and charges; and
- to ensure transparency and accountability in Council decision making.

This financial report is a general purpose financial report that consists of a Comprehensive Income Statement, Balance Sheet, Statement of Changes in Equity, Statement of Cash Flows, and notes accompanying these financial statements.

The general purpose financial report complies with Australian Accounting Standards, other authoritative pronouncements of the Australian Accounting Standards Board, Urgent Issues Group Interpretations, the *Local Government Act 1989*, and the Local Government (Finance and Reporting) Regulations 2004.

Note 1

Significant accounting policies

a. Basis of accounting

This financial report has been prepared on the accrual and going concern bases.

This financial report has been prepared under the historical cost convention, except where specifically stated in notes 1(f), and 1(i).

Unless otherwise stated, all accounting policies are consistent with those applied in the prior year. Where appropriate, comparative figures have been amended to accord with current presentation, and disclosure has been made of any material changes to comparatives.

All entities controlled by Council that have material assets or liabilities, such as Special Committees of Management, have been included in this financial report. All transactions between these entities and the Council have been eliminated in full.

b. Change in accounting policies

No changes in accounting policy.

c. Revenue recognition

Rates, grants and contributions

Rates, grants and contributions (including Developer Contributions) are recognised as revenues when the Council obtains control over the assets comprising these receipts.

Control over assets acquired from rates is obtained at the commencement of the rating year as it is an enforceable debt linked to the rateable property or, where earlier, upon receipt of the rates.

A provision for doubtful debts on rates has not been established as unpaid rates represents a charge against the rateable property that will be recovered when the property is next sold.

Control over granted assets is normally obtained upon their receipt (or acquittal) or upon earlier notification that a grant has been secured, and are valued at their fair value at the date of transfer.

Contributions are recognised as income when the Council obtains control of the contribution or the right to receive the contribution, it is probable that the economic benefits comprising the contribution will flow to the Council and the amount of the contribution can be measured reliably. Developer gifted assets are recognised at practical completion date.

Where grants or contributions recognised as revenues during the financial year were obtained on condition that they be expended in a particular manner or used over a particular period and those conditions were undischarged at balance date, the unused grant or contribution is disclosed in note 6. The note also discloses the amount of unused grant or contribution from prior years that was expended on Council's operations during the current year.

A liability is recognised in respect of revenue that is reciprocal in nature to the extent that the requisite service has not been provided at balance date.

User charges, fees and fines

User charges, fees and fines (including parking fees and fines) are recognised as revenue when the service has been provided, the payment is received, or when the penalty has been applied, whichever first occurs. Annual memberships are recognised when the service has been provided.

A provision for doubtful debts is recognised when collection in full is no longer probable.

Sale of property, plant and equipment, infrastructure

The profit or loss on sale of an asset is determined when control of the asset has irrevocably passed to the buyer.

Interest and rents

Interest and rents are recognised as revenue on a proportional basis when the payment is due, the value of the payment is notified, or the payment is received, whichever first occurs.

d. Depreciation of non-current assets

Buildings, land improvements, plant and equipment, infrastructure, heritage assets, and other assets having limited useful lives are systematically depreciated over their useful lives to the Council in a manner which reflects consumption of the service potential embodied in those assets. Estimates of remaining useful lives and residual values are made on a regular basis with major asset classes reassessed annually. Depreciation rates and methods are reviewed annually.

Where infrastructure assets have separate identifiable components that are subject to regular replacement, these components are assigned distinct useful lives and/or residual values and a separate depreciation rate is determined for each component.

Road earthworks are not depreciated.

Art collection and Regalia are not depreciated.

Straight line depreciation is charged based on the residual useful life as determined each year.

Major depreciation periods used are listed below and are consistent with the prior year unless otherwise stated:

	Current Period
PROPERTY	
Buildings and Land improvements	
Land improvements	10 to 80 years
Buildings	60 to 100 years
Heritage assets	
Heritage assets	40 to 150 years
PLANT AND EQUIPMENT	
Plant, machinery and equipment	5 to 15 years
Furniture, equipment and computers	3 to 30 years
INFRASTRUCTURE	
Roads	
Road pavements and seals	10 to 60 years
Road substructure	40 to 60 years
Road kerb, channel and minor culverts	10 to 60 years
Roundabouts	20 to 30 years
Bridges deck	50 to 100 years
Footpaths	10 to 60 years
Bike paths	10 to 50 years
Drainage	60 to 100 years
Naturestrip trees	10 to 50 years
Regulatory signs	3 to 20 years
Street furniture	10 to 50 years
Litter Bins	
Bus Shelters	
Outdoor Furnishings	

e. Repairs and maintenance

Routine maintenance, repair costs, and minor renewal costs are expensed as incurred.

Where the repair relates to the replacement of a component of an asset and the cost exceeds the capitalisation threshold the cost is capitalised and depreciated. The carrying value of the replaced asset is expensed.

f. Recognition and measurement of assets

Acquisition

The purchase method of accounting is used for all acquisitions of assets, being the fair value of assets provided as consideration at the date of acquisition plus any incidental costs attributable to the acquisition. Fair value is the amount for which the asset could be exchanged between knowledgeable willing parties in an arm's length transaction.

Where assets are constructed by Council, cost includes all materials used in construction, direct labour, borrowing costs incurred during construction, and an appropriate share of directly attributable variable and fixed overheads.

The following classes of assets have been recognised in note 20. In accordance with Council's policy, the threshold limits detailed below have been applied when recognising assets within an applicable asset class and unless otherwise stated are consistent with the prior year:

	Threshold Limit
	\$
PROPERTY	
Buildings and Land improvements	10,000
Land	10,000
Land under roads	2,000
Land improvements	10,000
Heritage assets	
Heritage assets	10,000
PLANT AND EQUIPMENT	
Plant, machinery and equipment	2,000
Furniture, equipment and computers	500
Art collection and regalia	3,000
INFRASTRUCTURE	
Roads	
Road pavements and seals	20,000
Road substructure	20,000
Road kerb, channel and minor culverts	5,000
Roundabouts	20,000
Bridges deck	20,000
Footpaths	2,000
Drainage	3,000
Naturestrip trees	3,000
Regulatory signs	3,000
Bike paths	2,000
Other	
Other assets	3,000
INTANGIBLE ASSETS	
Intangible assets	1,000

Revaluation

Subsequent to the initial recognition of assets, non-current physical assets, other than plant and equipment, are measured at their fair value, being the amount for which the assets could be exchanged between knowledgeable willing parties in an arms length transaction. At balance date, the Council reviewed the carrying value of the individual classes of assets measured at fair value to ensure that each asset materially approximated its fair value. Where the carrying value materially differed from the fair value at balance date the class of asset was revalued.

In addition, Council undertakes a formal revaluation of land, buildings, and infrastructure assets on a regular basis ranging from 3 to 5 years. The valuation is performed either by experienced council officers or independent experts.

Where the assets are revalued, the revaluation increments are credited directly to the asset revaluation reserve except to the extent that an increment reverses a prior year decrement for that class of asset that had been recognised as an expense in which case the increment is recognised as revenue up to the amount of the expense. Revaluation decrements are recognised as an expense except where prior increments are included in the asset revaluation reserve for that class of asset in which case the decrement is taken to the reserve to the extent of the remaining increments. Within the same class of assets, revaluation increments and decrements within the year are offset.

Land under roads

Council has elected not to recognise land under roads as an asset that it controlled as at 30 June 2008 in accordance with AASB 1051 Land under Roads, and any acquisitions from 1 July 2008 are brought to account using the cost basis, if material.

g. Cash and cash equivalents

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, deposits at call, and other highly liquid investments with original maturities of 90 days or less, net of outstanding bank overdrafts.

h. Other financial assets

Financial assets are valued at fair value, being market value, at balance date. Any unrealised gains and losses on holdings at balance date are recognised as either a revenue or expense. Council's other financial assets comprise term deposits with a maturity date in excess of 90 days.

i. Accounting for investment in associates

Council's investment in associates is accounted for by the equity method as the Council has the ability to influence rather than control the operations of the entities. The investment is initially recorded at the cost of acquisition and adjusted thereafter for post-acquisition changes in the Council's share of the net assets of the entities. The Council's share of the financial result of the entities is recognised in the Comprehensive Income Statement.

j. Tender deposits

Amounts received as tender deposits and retention amounts controlled by Council are recognised as Trust funds until they are returned or forfeited (refer to note 22).

k. Employee benefits

Wages and salaries

Liabilities for wages and salaries and rostered days off are recognised and are measured as the amount unpaid at balance date and include appropriate oncosts such as work cover charges.

Annual leave

Annual leave entitlements are accrued on a pro rata basis in respect of services provided by employees up to balance date and are measured at the amount expected to be paid, including appropriate oncosts, when the accrued obligation is settled.

Long service leave

Long service leave entitlements are vested to Council employees after a period of seven years. They are assessed at balance date having regard to expected employee remuneration rates on settlement, employment related oncosts and other factors including accumulated years of employment, on settlement, and experience of employee departure per year of service. Long service leave expected to be paid within 12 months is measured at nominal value based on the amount expected to be paid when settled. Long service leave expected to be paid later than one year has been measured at the present value of the estimated future cash outflows to be made for these accrued entitlements. Department of Treasury and Finance rates are used for discounting future cash flows.

Classification of employee benefits

An employee benefit liability is classified as a current liability if the Council does not have an unconditional right to defer settlement of the liability for at least 12 months after the end of the period. This would include all annual leave and unconditional long service leave entitlements.

Superannuation

The superannuation expense for the reporting year is the amount of the statutory contribution the Council makes to the superannuation plan which provides benefits to its employees. In addition Council may, periodically be required to contribute to the defined benefits schemes for current and former employees. Details of these arrangements are recorded in note 36.

l. Leases

Operating leases

Lease payments for operating leases are recognised as an expense in the years in which they are incurred as this reflects the pattern of benefits derived by the Council.

m. Allocation between current and non-current

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle, or if the Council does not have an unconditional right to defer settlement of a liability for at least 12 months after the reporting date.

n. Agreements equally proportionately unperformed

The Council does not recognise assets and liabilities arising from agreements that are equally proportionately unperformed in the balance sheet. Such agreements are recognised on an 'as incurred' basis.

o. Web site costs

Costs in relation to websites are charged as an expense in the period in which they are incurred.

p. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

q. Impairment of assets

At each reporting date, the Council reviews the carrying value of its assets to determine whether there is any indication that these assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the assets carrying value. Any excess of the assets carrying value over its recoverable amount is expensed to the comprehensive income statement, unless the asset is carried at the revalued amount in which case, the impairment loss is recognised directly against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that same class of asset.

r. Trade and other receivables and inventories

Receivables are carried at amortised cost using the effective interest rate method.

A provision for doubtful debts is recognised when there is objective evidence that an impairment has occurred.

Inventories held for distribution are measured at cost adjusted when applicable for any loss of service potential.

Other inventories are measured at the lower of cost and net realisable value.

s. Trade and other payables

Liabilities are recognised for amounts to be paid in the future for goods and services received as at balance date. Refer note 21.

t. Accounting adjustments to prior periods

Existing assets not previously recognised.

Non-current assets not previously recognised are classified as though they had always been recognised by an adjustment through equity and a restatement of the previous year's comprehensive income statement if applicable.

During the 2012/13 financial year Council has captured existing drainage/bridge infrastructure assets not previously recognised to the value of \$1,030,986 which have been recognised via adjustment to 2011/12 balances. Refer Note 20.

Asset Class	2011/12 \$	Restated \$
Infrastructure (Bridges)	381,984,413	383,015,399
Equity	358,620,906	359,975,787

This balance was not significant as to require an additional balance sheet.

Note 2

Events occurring after balance date

At the date of this report no issues have been identified which would significantly affect the financial position reported herein.

Note 3

Rates and charges

Council uses Capital Improved Value (CIV) as the basis of valuation of all properties within the municipal district. The CIV of a property is the market value of the property which takes into account the land and all improvements fixed to the land.

The valuation base used to calculate general rates for 2012/2013 was \$8,736 million (2011/2012 \$8,432 million).

	2013 \$	2012 \$
Residential	27,398,368	24,795,943
Commercial	10,928,440	10,815,482
Industrial	5,131,139	5,088,801
Farm/Rural residential	6,306,363	6,049,129
Waste Services charges	7,051,902	6,927,317
Total rates and charges	56,816,212	53,676,672

The date of the last general revaluation of land for rating purposes within the municipal district was 1 January 2012, and the valuation first applied to the rating period commencing 1 July 2012.

The date of the next general revaluation of land for rating purposes within the municipal district is 1 January 2014, and the valuation will be applied in the rating year commencing 1 July 2014.

Supplementary rates and rate adjustments undertaken after the annual calculation incorporate a number of valuation objections.

Note 4

Parking and fines

	2013 \$	2012 \$
Infringements and costs	684,590	564,025
PERIN court recoveries	21,534	35,927
Fees - ticket machines	348,034	359,728
Fees - parking meters	926,598	884,635

Valuation of land and buildings were undertaken by a qualified independent valuer, LG Valuation Services. The valuation of buildings is at fair value based on current replacement cost less accumulated depreciation at the date of valuation. The valuation of land is at fair value, being market value based.

Land under roads is valued at deemed cost. Deemed cost is based on council valuations at date acquired for acquisitions since 1 July 2008, adjusting for englobo (undeveloped and/or unserviced) characteristics, access rights and private interests of other parties and entitlements of infrastructure assets and services.

Note 31

Superannuation

Council makes employer superannuation contributions in respect of its employees to the Local Authorities Superannuation Fund (the Fund). Obligations for contributions are recognised as an expense in the Comprehensive Income Statement when they are due. The Fund has two categories of membership, accumulation and defined benefit, each of which is funded differently.

Council makes employer superannuation contributions in respect of its employees to other funds as nominated by its employee. Obligations for contributions are recognised as an expense in the Comprehensive Income Statement when they are due. All other funds are accumulation funds none are defined benefits.

The Fund's accumulation category, Vision Super Saver, receives both employer and employee contributions on a progressive basis. Employer contributions are normally based on a fixed percentage of employee earnings (9% required under Superannuation Guarantee Legislation 2012/13). No further liability accrues to the employer as the superannuation benefits accruing to employees are represented by their share of the net assets of the Fund.

The Fund's Defined Benefit Plan is a multi-employer sponsored plan. As the Fund's assets and liabilities are pooled and are not allocated by employer, the Actuary is unable to reliably allocate benefit liabilities, assets and costs between employers. As provided under Paragraph 32 (b) of AASB 119, Council does not use defined benefit accounting for these contributions.

Council makes employer contributions to the defined benefit category of the Fund at rates determined by the Trustee on the advice of the Fund's Actuary. On the basis of the results of the most recent full actuarial investigation conducted by the Fund's Actuary as at 31 December 2011, Council made the following contributions:

- 9.25% of members' salaries (same as previous year);
- additional contributions to cover the excess of the benefits paid as a consequence of retrenchment above the funded resignation or retirement benefit (the funded resignation or retirement benefit is calculated as the Vested Benefit Index multiplied by the benefit), plus contributions tax (effective from 1 October 2012); and
- a top-up contribution towards the \$406 million (plus contributions tax) payable on 1 July 2013.

The Local Authorities Superannuation Fund latest 31 December 2011 actuarial investigation identified an unfunded liability of \$406 million excluding the contributions tax in the defined benefit fund of which Council is a member.

A call to Employers for additional contributions was made for the financial year ending 30 June 2012 with commitment from Employers from 1 July 2013.

Council was made aware of the expected short fall through the year and was formally informed of their share of the short fall in July 2012 which amounted to \$5.632m including contribution tax. The Council resolved to make early payment of this liability at the Ordinary Council Meeting held on 18 September 2012 and the respective invoice was released for payment on 29 September 2012.

Council accounted for this short fall in the 2011/12 Comprehensive Income Statement in Employee Benefit (See Note 9) and in the Balance Sheet under Current Liabilities in Trade and Other Payables (See Note 21).

Note 33

Operating leases

a. Operating lease commitments

At the reporting date, the Council had the following obligations under non-cancellable operating leases for the lease of equipment and land and buildings for use within Council's activities (these obligations are not recognised as liabilities):

	2013 \$	2012 \$
Not later than one year	999,549	991,683
Later than one year and not later than five years	1,083,921	795,976
	2,083,470	1,787,659

b. Operating lease receivables

At the reporting date, the Council had entered into commercial property leases. These properties held under operating leases have remaining non-cancellable lease terms of between 1 and 50 years. All leases include a CPI based revision of the rental charge.

Future minimum rentals receivable under non-cancellable operating leases are as follows:

	2013 \$	2012 \$
Not later than one year	538,239	489,990
Later than one year and not later than five years	1,236,597	1,725,350
Later than five years	221,884	271,369
	1,996,720	2,486,709

Contingent liabilities and contingent assets

a. Contingent liabilities

i. Contingent liabilities arising from public liabilities

As a local authority with ownership of numerous parks, reserves, roads and other land holdings, the Council carries a \$400 Million Public/Products Liability Insurance that has an excess payment of \$20,000 per claim on this policy. Any exposure to the Council from incidents allegedly arising out of negligent management of its assets has a maximum liability of the excess payment on any single claim. MAV Insurance – Liability Mutual Insurance (LMI) is the Council's primary insurer and under the terms and conditions of the 2013/2014 policy the Council has made the insurer aware of any pending or existing claims. Financial outcomes pertaining to claims are unpredictable and are an estimate only. Payments for Public Liability claims are limited to the excess amount or part thereof.

ii. Contingent liabilities arising from professional indemnity

As a local authority with statutory regulatory responsibilities, including the issuing permit approvals, the Council can be exposed to claims and demands for damages allegedly arising due to advice given by Council Officers. The Council carries \$300 Million Professional Indemnity Insurance that has an excess payment of \$20,000 per claim on this policy. The maximum liability for the Council in any single claim is the extent of its excess payment. MAV Insurance – Liability Mutual Insurance (LMI) is Council's primary insurer and under the terms and conditions of the 2013/2014 policy the Council has made the insurer aware of any pending or existing claims.

i. Contingent liabilities arising from Cosgrove Landfill Financial Assurance

Council has a responsibility under the Environment and Protection Act 1970, for rehabilitation, site aftercare and remedial action at its landfill site at Cosgrove. While rehabilitation and site after care is funded through the annual budget, the EPA requires a financial assurance to meet the potential costs should the site require remedial works. As at the 30 June 2013 the Council is in negotiations with the EPA around how the financial assurance is managed. The MOU makes available to the EPA at call the sum of \$978,000 should remedial action be required.

ii. Contingent liabilities arising from Developments in Growth Corridors

Council has land acquisition in Mooroopna West for the Mooroopna West Growth Corridor (MWGC). For land acquisition in MWGC, there are some instances where there is a disputed claim, these are the acquisitions that agreement cannot be reached on at this stage and therefore the final amount payable may be decided by VCAT.

b. Contingent assets

As at the reporting date there were a number of subdivisions in progress throughout the municipality and on completion the Council will receive ownership of the infrastructure associated with those subdivisions. Valuations are determined at the time of handover.

Note 35

Financial instruments

a. Accounting policy, terms and conditions

Recognised financial instruments	Accounting Policy	Terms and Conditions	Note
FINANCIAL ASSETS			
Cash and cash equivalents	Cash on hand and at bank and money market call account are valued at face value.	On call deposits returned a floating interest rate of 3.025% (4.23% in 2011/2012). The interest rate at balance date was 2.65% (3.40% in 2011/2012).	16
	Investments and bills are valued at cost.	Funds returned fixed interest rates of between 3.80% (5.17% in 2011/2012), and 5.65% (5.80% in 2011/2012) net of fees.	
	Investments are held to maximise interest returns of surplus cash.		
	Interest is recognised as it accrues.		
Other financial assets	Investments are held to maximise interest returns of surplus cash.	Consists of term deposits with a maturity date in excess of 90 days from balance date. The above interest rates apply.	
Trade and other receivables	Receivables are carried at nominal amounts due less any provision for doubtful debts. A provision for doubtful debts is recognised when collection in full is no longer probable. Collectability of overdue accounts is assessed on an ongoing basis.	General debtors are unsecured. Credit terms are based on 30 days.	17
FINANCIAL LIABILITIES			
Trade and other payables	Liabilities are recognised for amounts to be paid in the future for goods and services provided to Council as at balance date whether or not invoices have been received.	General Creditors are unsecured, not subject to interest charges and are normally settled within 30 days of invoice receipt.	21
Interest-bearing loans and borrowings	Loans are carried at their principal amounts, which represent the present value of future cash flows associated with servicing the debt. Interest is accrued over the period it becomes due and recognised as part of payables.	Borrowings are secured by way of mortgages over the general rates of the Council. The weighted average interest rate on borrowings was 7.55% during 2012/2013 (8.01% in 2011/2012).	25
Trust funds and deposits	Funds held on behalf of third parties for various refundable deposits and are carried at nominal value.	Refundable to third party when deposit conditions are met.	22
Bank facility	Facilities are recognised at the principal amount. Interest is charged as an expense as it accrues.	The facility is subject to annual review.	29

b. Interest Rate Risk

The exposure to interest rate risk and the effective interest rates of financial assets and financial liabilities, both recognised and unrecognised, at balance date are as follows:

	Floating interest rate \$	Fixed interest 1 year or less \$	Fixed interest Over 1 to 5 years \$	Fixed interest More than 5 years \$	Non Interest- bearing \$	Total \$

Net Financial Assets	16,106,703	9,412,386	16,106,703	9,412,386

d. Credit risk

The maximum exposure to credit risk at balance date in relation to each class of recognised financial asset is represented by the carrying amount of those assets as indicated in the Balance Sheet.

e. Risks and mitigation

The risks associated with our main financial instruments and our policies for minimising these risks are detailed below.

Market risk

Market risk is the risk that the fair value or future cash flows of our financial instruments will fluctuate because of changes in market prices.

The Council's exposures to market risk are primarily through interest rate risk with only insignificant exposure to other price risks and no exposure to foreign currency risk. Components of market risk to which we are exposed are discussed below.

Interest rate risk

Interest rate risk refers to the risk that the value of a financial instrument or cash flows associated with the instrument will fluctuate due to changes in market interest rates. Interest rate risk arises from interest bearing financial assets and liabilities that we use. Non derivative interest bearing assets are predominantly short term liquid assets. Our long term borrowings are at fixed rates so we are not exposed to fair value interest rate risk.

Our loan borrowings are sourced from major Australian banks by a tender process. Overdrafts are arranged with major Australian banks. We manage interest rate risk on our net debt portfolio by:

- ensuring access to diverse sources of funding;
- reducing risks of refinancing by managing in accordance with target maturity profiles; and
- setting prudential limits on interest repayments as a percentage of rate revenue.

We manage the interest rate exposure on our debt portfolio by appropriate budgeting strategies and obtaining approval for borrowings from the Department of Transport, Planning and Local Infrastructure each year.

Investment of surplus funds is made with approved financial institutions under the provisions of the *Local Government Act 1989*. We manage interest rate risk by following a Council adopted investment policy that ensures:

- conformity with State and Federal regulations and standards,
- adequate safety,
- appropriate liquidity,
- diversification by credit rating, financial institution and investment product,
- monitoring of return on investment,
- benchmarking of returns and comparison with budget.

Maturity will be staggered to provide for interest rate variations and to minimise interest rate risk.

Credit risk

Credit risk is the risk that a contracting entity will not complete its obligations under a financial instrument and cause the Council to make a financial loss. Council has exposure to credit risk on all financial assets (except rate receivables) included in the balance sheet. To help manage this risk:

- Council has a policy for establishing credit limits for the entities that Council deal with;
- Council may require collateral where appropriate; and
- Council only invests surplus funds with financial institutions which have a recognised credit rating specified in the adopted investment policy.

Trade and other receivables consist of a large number of customers, spread across the consumer, business and government sectors. Credit risk associated with the Council's financial assets is minimal because, apart from the Council's rate debtors, the main debtor is the Victorian Government. Apart from the Victorian Government we do not have any significant credit risk exposure to a single customer or groups of customers. Ongoing credit evaluation is performed on the financial condition of our customers and, where appropriate, an allowance for doubtful debts is raised. Trade and other receivables are referred to at note 17. Bad and doubtful debts are written off, per note 11.

Liquidity risk

Liquidity risk includes the risk that, as a result of our operational liquidity requirements:

- Council will not have sufficient funds to settle a transaction on the date;
- Council will be forced to sell financial assets at a value which is less than what they are worth; or
- Council may be unable to settle or recover a financial assets at all.

To help reduce these risks we:

- have an adopted cash management policy advising that a level of cash or equivalents must be maintained to cover transactions;
- have both readily accessible funds at call and other funding arrangements with the investment institutions in place to redeem invested funds before maturity only forfeiting the interest that would have been earned between the redemption date and maturity;"
- have a portfolio structure that requires surplus funds to be invested at call until minimum is covered then to terms as required;
- monitor cashflow performance on a regular basis based on historical high and low flow periods.

The Council's exposure to liquidity risk is deemed insignificant based on prior period's data and current assessment of risk.

f. Sensitivity disclosure analysis

Taking into account past performance, future expectations, economic forecasts, and management's knowledge and experience of the financial markets, the Council believes the following movements are 'reasonably possible' over the next 12 months (Base rates are sourced from Reserve Bank of Australia):

- A parallel shift of +2% and -1% in market interest rates (AUD) from year-end rates of 4.15% (2011/12, 5.17%).

The table below discloses the impact on net operating result and equity for each category of financial instruments held by the Council at year-end, if the above movements were to occur.

	Carrying amount subject to interest \$'000	INTEREST RATE RISK			
		-1% 100 basis points		2% 200 basis points	
		Profit \$'000	Equity \$'000	2013 \$'000	2012 \$

Note 37

Related party transactions

i. Responsible Persons

Names of persons holding the position of a Responsible Person at the Council at any time during the year are:

COUNCILLORS:	1 Jul 2012 - 27 Oct 2012	28 Oct 2012 - 30 June 2013
	Michael Polan (Mayor)	Jenny Houlihan (Mayor)
	Kevin Ryan	Michael Polan
	Jenny Houlihan	Kevin Ryan
	Chris Hazelman	Milvan Muto
	Milvan Muto	Dennis Patterson
	Cherie Crawford	Fern Summer
	Geoff Dobson	Les Oroszvary
CHIEF EXECUTIVE OFFICER:	Gavin Cator	

ii. Remuneration of Responsible Persons

The numbers of Responsible Officers, whose total remuneration from Council and any related entities fall within the following bands:

	2013 No.	2012 No.
\$1 - \$ 9,999	2	-
\$10,000 - \$19,999	4	-
\$20,000 - \$29,999	2	5
\$30,000 - \$39,999	1	-
\$40,000 - \$49,999	-	1
\$50,000 - \$59,999	1	1
\$120,000 - \$129,999	-	1
\$280,000 - \$289,999	1	-
	11	8
Total remuneration for the reporting year for Responsible Persons included above amounted to:	\$507,192	\$341,601

iii. No retirement benefits have been made by the Council to a Responsible Person during the reporting year. (2011/12, Nil).

iv. No loans have been made, guaranteed or secured by the Council to a Responsible Person during the reporting year (2011/12, Nil).

v. Other transactions

No transactions other than remuneration payments or the reimbursement of approved expenses were entered into by Council with Responsible Persons, or Related Parties of such Responsible Persons during the reporting year (2011/12, Nil).

vi. Senior Officers Remuneration

A Senior Officer other than a Responsible Person, is an officer of Council who has management responsibilities and reports directly to the Chief Executive Officer or whose total annual remuneration exceeds \$130,000.

Income Range:	2013 No.	2012 No.
Less than \$130,000	9	-
\$130,000 - \$139,999	3	4
\$140,000 - \$149,999	4	1
\$150,000 - \$159,999	3	2
\$160,000 - \$169,999	-	1
\$170,000 - \$179,999	1	-
\$190,000 - \$199,999	-	1
\$210,000 - \$219,999	-	2
\$220,000 - \$229,999	-	1
\$270,000 - \$279,999	1	-
	21	12
Total remuneration for the reporting year for Senior Officers included above amounted to:	\$2,690,634	\$1,999,251

Note: Total number of Senior Officers for the 2012/13 financial year reflected higher than normal due to personnel changes as a result of an organisational restructure. As at 30 June 2013 Council employed 14 Senior Officers.

vii. Other transactions

Councillor Kevin Ryan held office with Merrigum Enterprises, Tatura Caravan Hire and Byrneside Nursery. There were no transactions with Merrigum Enterprises or Byrneside Nursery for the 2012/13 financial year (\$0 in 2011/12). In March 2013 Tatura Caravan Hire booked and paid Council \$8,127 for camping sites at the International Dairy Week. These transactions were according to Council's schedule of rates (\$0 in 2011/12).

Councillor Jenny Houlihan held the position of Chairperson with Centrepoint Body Corporate. There were no transactions for the 2012/13 financial year (\$0 in 2011/12).

Councillor Jenny Houlihan held a beneficial interest in local business, 'The Living Room'. There were no transactions for the 2012/13 financial year (\$0 in 2011/12).

 Management (Directorate)
 Rates

Note 39

Financial ratios (Performance indicators)

a. Debt servicing ratio (to identify the capacity of Council to service its outstanding debt)

	2013	2012	2011
$\frac{\text{Debt servicing costs}}{\text{Total revenue}}$	$\frac{1,204,628}{110,420,447} = 1.09\%$	$\frac{1,033,763}{111,762,418} = 0.92\%$	$\frac{483,500}{99,058,782} = 0.49\%$

Debt servicing costs refer to the payment of interest on loan borrowings, finance lease, and bank overdraft. The ratio expresses the amount of interest paid as a percentage of Council's total revenue.

b. Debt commitment ratio (to identify Council's debt redemption strategy)

	2013	2012	2011
$\frac{\text{Debt servicing \& redemption costs}}{\text{Rate revenue}}$	$\frac{1,593,302}{56,816,212} = 2.80\%$	$\frac{1,327,920}{53,676,672} = 2.47\%$	$\frac{565,454}{49,921,586} = 1.13\%$

The strategy involves the payment of loan principal and interest, finance lease principal and interest. The ratio expresses the percentage of rate revenue utilised to pay interest and redeem debt principal.

c. Revenue ratio (to identify Council's dependence on non-rate income)

	2013	2012	2011
$\frac{\text{Rate revenue}}{\text{Total revenue}}$	$\frac{56,816,212}{110,420,447} = 51.45\%$	$\frac{53,676,672}{111,762,418} = 48.03\%$	$\frac{49,921,586}{99,058,782} = 50.40\%$

The level of Council's reliance on rate revenue is determined by assessing rate revenue as a proportion of the total revenue of Council.

d. Debt exposure ratio (to identify Council's exposure to debt)

	2013	2012	2011
$\frac{\text{Total indebtedness}}{\text{Total realisable assets}}$	$\frac{33,294,209}{266,271,172} = 1:8.0$	$\frac{35,100,040}{226,786,742} = 1:7.3$	$\frac{23,871,464}{233,196,534} = 1:9.8$

For the purposes of the calculation of financial ratios, realisable assets are those assets which can be sold and which are not subject to any restriction on realisation or use.

Any liability represented by a restricted asset (note 30) is excluded from total indebtedness.

The following assets are excluded from total assets when calculating Council's realisable assets:

Land and buildings on Crown land; restricted assets; heritage assets; total infrastructure assets; and Council's investment in associate.

This ratio enables assessment of Council's solvency and exposure to debt. Total indebtedness refers to the total liabilities of Council. Total liabilities are compared to total realisable assets which are all Council assets not subject to any restriction and are able to be realised. The ratio expresses the multiple of total liabilities for each dollar of realisable assets.

e. Working capital ratio (to assess Council's ability to meet current commitments)

	2013	2012	2011
$\frac{\text{Current assets}}{\text{Current liabilities}}$	$\frac{45,244,585}{19,444,354} = 2.3:1$	$\frac{42,042,986}{21,911,979} = 1.9:1$	$\frac{34,774,685}{17,525,810} = 2.0:1$

The ratio expresses the level of current assets the Council has available to meet its current liabilities.

Note 40

Pending Accounting Standards

Pronouncement	What's new?	Impact/Action	Transition	Effective date
AASB 9 Financial Instruments	<p>AASB 9 standard is one of a series of amendments that are expected to eventually completely replace AASB 139. During 2010-11, the standard will be expanded to include new rules on measurement of financial liabilities and hedge accounting. Currently the existing provisions of AASB 139 will continue to apply in these areas. AASB 9 simplifies the classifications of financial assets into those to be carried at amortised cost and those to be carried at fair value – the 'available for sale' and 'held-to-maturity' categories no longer exists. AASB 9 also simplifies requirements for embedded derivatives and removes the tainting rules associated with held-to-maturity assets. The new categories of financial assets are:</p> <ul style="list-style-type: none"> • Amortised cost – those assets with 'basic' loan features'. • Fair value through other comprehensive income - this treatment is optional for equity instruments not held for trading (this choice is made at initial recognition and is irrevocable). • Fair Value through profit and Loss – everything that does not fall into the above two categories. <p>The following changes also apply:</p> <ul style="list-style-type: none"> • Investments in unquoted equity instruments must be measured at fair value. However, cost may be the appropriate measure of fair value where there is insufficient more recent information available to determine a fair value. • There is no longer any requirement to consider whether 'significant or prolonged' decline in the value of financial assets has occurred. The only impairment testing will be on those assets held at amortised cost, and all impairments will be eligible for reversal. • Similarly, all movements in the fair value of a financial asset now go to the income statement, or, for equity instruments not held for trading, other comprehensive income. There is no longer any requirement to book decrements through the income statement, and increments through equity. 	<p>The impact is not likely to be extensive in the local government sector. Although it will vary considerably between entities. While the rules are less complex than those of AASB 139, the option to show equity instruments at cost has been largely removed, which is likely to lead to greater volatility within the income statement. However it may also lead to an improved financial position for some entities. This will also create a requirement to measure some instruments annually that has not previously existed.</p>	<p>Transitional arrangements are extensive – in general retrospective restatement is required, but there are exceptions. Early-adoption of the standard before 1 January 2014 removes the requirement for restatement of comparatives.</p>	<p>Periods beginning on or after 1 January 2015. The standard was amended in 2012 to delay the effective date by two years (previously 1 January 2013).</p>

Pronouncement	What's new?	Impact/Action	Transition	Effective date
AASB 10 Consolidated Financial Statements	<p>The standard introduces a single model of control, which is used to determine whether an investee must be consolidated. The existence of control is determined based on:</p> <ul style="list-style-type: none"> • Power to direct the activities of an investee (irrespective of whether such power is exercised). • Exposure, or rights, to variable returns from its involvement with the investee. • The ability to use its power over the investee to affect the amount of the investor's returns. 	<p>The definition of 'control' is based on various factors, and is wider than just those entities in which an investee holds greater than 50% of the voting rights. While the effects of this standard are not expected to be significant in the local government sector, there may be some increase in the number of entities required to be consolidated as subsidiaries.</p>	<p>Early adoption is permitted, but AASB 10, AASB 11, AASB 12, AASB 127 (revised) and AASB 128 (revised) must all be adopted simultaneously.</p>	<p>Periods beginning on or after 1 January 2013</p>
AASB 11 Joint Arrangements	<p>AASB 11 classifies all joint arrangements as either joint operations or joint ventures:</p> <ul style="list-style-type: none"> • Joint operations exist where the parties have the right to their assets and the obligation for their liabilities under the arrangement. Each party recognises its own assets, liabilities, revenues and expenses resulting from the arrangement. • Joint ventures exist where the parties have the rights to the net assets of the arrangement. Each party accounts for the arrangement under the equity method in accordance with AASB 128 Investments in Associates and Joint Ventures (see below). 	<p>The use of proportionate consolidation to account for joint ventures is no longer permitted. This is not likely to impact many councils</p>	<p>Early adoption is permitted, but AASB 10, AASB 11, AASB 12, AASB 127 (revised) and AASB 128 (revised) must all be adopted simultaneously.</p>	<p>Periods beginning on or after 1 January 2013</p>
AASB 12 Disclosure of Involvement with Other Entities	<p>AASB 12 requires the disclosure of information to enable users to evaluate the nature of, and risks associated with, its interests in other entities and the effect of those interests on its financial position, financial performance, and cash flows. AASB 12 applies to all entities that have subsidiaries, joint arrangements, associates, or unconsolidated structured entities, and requires disclosures grouped into four categories:</p> <ul style="list-style-type: none"> • Significant judgments and assumptions, including how control, joint control, or significant influence has been determined. • Interests in subsidiaries, including details of the composition of the group, the interests held by any non-controlling interest, any changes in control, and the nature of any associated risks. • Interests in joint arrangements and associates, including their nature and extent, the effects on the group, and any associated risks. • Interests in unconsolidated structured entities, including their nature and extent, any changes during the year, and the associated risks. 	<p>The disclosures required will be both qualitative and quantitative. In particular, management should document and be able to justify its key judgments concerning control and significant influence. In the local government context this is likely to require increased disclosures around the operations of Library Corporations as well as other activities that Council have an interest in.</p>	<p>Early adoption is permitted, but AASB 10, AASB 11, AASB 12, AASB 127 (revised) and AASB 128 (revised) must all be adopted simultaneously.</p>	<p>Periods beginning on or after 1 January 2013</p>

Pronouncement	What's new?	Impact/Action	Transition	Effective date
AASB 13 Fair Value Measurement	<p>AASB 13 replaces the existing IFRS guidance on fair value measurement and disclosure. It applies whenever another standard permits or requires the use of fair value measurements. It sets out a fair value hierarchy for such measurements:</p> <ul style="list-style-type: none"> • Level 1 – quoted prices in active markets for identical assets and liabilities, which can be accessed at the measurement date. • Level 2 – inputs other than quoted market prices included within Level 1, which are observable for the asset or liability, either directly or indirectly. • Level 3 – unobservable inputs for the asset or liability. <p>There are also extensive disclosure requirements relating to each of the three levels within the hierarchy.</p>	<p>The standard determines 'how to' rather than 'when' in respect of fair value measurements, and summarises the existing IFRS guidance in one place. This standards may assist those councils that have equity investments that are no longer able to be held at cost.</p>	<p>Early adoption is permitted.</p>	<p>Periods beginning on or after 1 January 2013</p>
AASB 119 Employee Benefits	<p>AASB 119 requires the recognition of all re-measurements of defined benefit liabilities/assets immediately in other comprehensive income, the immediate recognition of all past service cost in profit or loss and the calculation of a net interest expense or income by applying the discount rate to the net defined benefit liability or asset.</p>	<p>The entity is yet to assess its full impact.</p> <p>Where adequate information is available, the entity will apply the new standard from 1 July 2013 when the new standard applies to the Greater Shepparton City Council.</p>	<p>Early adoption is permitted.</p>	<p>Periods beginning on or after 1 January 2013</p>
AASB 127 Separate Financial Statements	<p>AASB 127 has been amended to ensure consistency with the new requirements of AASB 10 Consolidated Financial Statements (see above). It now deals only with the preparation of separate company financial statements.</p>	<p>Where separate financial statements are prepared, investments in subsidiaries, associates, and joint ventures must be accounted for either at cost, or in accordance with AASB 9 Financial Instruments. These changes are not expected to impact significantly on Councils</p>	<p>Early adoption is permitted, but AASB 10, AASB 11, AASB 12, AASB 127 (revised) and AASB 128 (revised) must all be adopted simultaneously.</p>	<p>Periods beginning on or after 1 January 2013</p>
AASB 128 Investments in Associates and Joint Ventures	<p>AASB 128 has been amended to ensure consistency with the new requirements of AASB 10 Consolidated Financial Statements and AASB 11 Joint Arrangements. The standard sets out how the equity method of accounting is to be applied, defines "significant influence," and how impairment is to be tested for investments in associates or joint ventures.</p>	<p>Some joint ventures which were previously accounted for under the proportionate consolidation method must now be accounted for as associates. These changes are not expected to impact significantly on Councils</p>	<p>Early adoption is permitted, but AASB 10, AASB 11, AASB 12, AASB 127 (revised) and AASB 128 (revised) must all be adopted simultaneously.</p>	

Certification of the Financial Report

In my opinion the accompanying financial statements have been prepared in accordance with the *Local Government Act 1989*, the *Local Government (Finance and Reporting) Regulations 2004*, *Australian Accounting Standards* and other mandatory professional reporting requirements.

J. FINLAYSON B.Com.C.A.
PRINCIPAL ACCOUNTING OFFICER

Date: 24/9/13

In our opinion the accompanying financial statements present fairly the financial transactions of Greater Shepparton City Council for the year ended 30 June 2013 and the financial position of the Council as at that date.

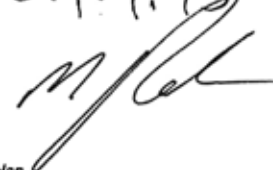

As at the date of signing, we are not aware of any circumstances which would render any particulars in the financial statements to be misleading or inaccurate.

We have been authorised by the Council on 24 September 2013 to certify the financial statements in their final form.

L. Groszvary (Acting Mayor)
COUNCILLOR

Net movement in property, infrastructure, plant and equipment	172,063,727	16,365,000	155,698,727	951%

Notes accompanying the Standard Statements

For the year ending 30 June 2013

1. Basis of Preparation of Standard Statements

Council is required to prepare and include audited Standard Statements within its Annual Report. Four Statements are required - a Standard Income Statement, Standard Balance Sheet, Standard Cash Flow Statement and a Standard Statement of Capital Works, together with explanatory notes.

These statements and supporting notes form a special purpose financial report prepared to meet the requirements of the Local Government Act 1989 and Local Government (Finance and Reporting) Regulations 2004.

The Standard Statements have been prepared on accounting bases consistent with those used for the General Purpose Financial Statements and the Budget. The results reported in these statements are consistent with those reported in the General Purpose Financial Statements.

The Standard Statements are not a substitute for the General Purpose Financial Statements. They have not been prepared in accordance with all Australian Accounting Standards or other authoritative professional pronouncements.

The Standard Statements compare council's financial plan, expressed through its budget, with actual performance. The Local Government Act 1989 requires explanation of any material variances. The Council has adopted a materiality threshold of \$100,000 and 10 per cent. Explanations have not been provided for variations below the materiality threshold unless the variance is considered to be material because of its nature.

The budget figures included in the Statements are those of the annual budget adopted by Council on 17 July 2012. The budget was based on assumptions that were relevant at the time of adoption. The council set guidelines and parameters for revenue and expense targets in this budget in order to meet council's business plan and financial performance targets for both short and long term. The budget did not reflect any changes to equity resulting from asset revaluations, as their impacts were not considered predictable.

Detailed information on the actual financial results is contained in the General Purpose Financial Statements. The detailed budget can be obtained by contacting the council through the website. The Standard Statements must be read with reference to these documents.

2. Explanation of Material Variances

Note	Item	Explanation
STANDARD INCOME STATEMENT - REVENUE		
1	Operating Grants and Contributions	More than budget by \$7,164,381 largely due to the early receipt of 2013/14 Victoria Grants Commission funding of \$5,518,624.
2	Statutory Fees	Less than budget by \$266,811. This includes \$131,976 regarding Animal Control and in particular lower income from cat and dog registrations than originally budgeted.
3	Other	More than budget by \$312,213 mainly due to interest income being \$294,992 more than budget.
4	Rent	Rental income was \$124,484 greater than budget largely due to a change in classification of user charges collected at the Business Centre to Rent income of \$101,098.

Note	Item	Explanation
------	------	-------------

STANDARD INCOME STATEMENT - EXPENSES

5	Utilities	More than budget by \$570,481 which relates to electricity, water and gas expenditure. The predominant variances were \$270,887 in Recreation and Parks and \$200,000 in Aquamoves.
---	-----------	---

STANDARD INCOME STATEMENT - OTHER

6	Proceeds from Disposal of Assets	More than budget by \$134,412 due to more items of plant sold.
7	Capital Grants and Contributions	Less than budget by \$832,820 of which \$396,215 relates to Roads to Recovery grants which are dependent on the timing of works.
8	Contributed Assets	Relates to developer contributions which are difficult to predict. This is a non-cash item.
9	Written Down Value of Assets Sold	Relates to developer contributions which are difficult to predict. This is a non-cash item.

STANDARD BALANCE SHEET - CURRENT ASSETS

10	Cash	More than budget by \$1,758,160 largely due to lower receivables \$857,006 and higher creditors \$664,412 at year end.
11	Receivables	Less than budget by \$443,406 which is largely due to government grants accounted for as income but not yet received.
12	Investments	More than budget by \$12,801,341, due to the early receipt of 2013/14 Victoria Grants Commission funding of \$5,518,624 and \$4,000,000 Federal funding for the Building Better Regional Cities Project.
13	Other	More than budget by \$1,002,490 including \$397,442 in prepayments for Information Services annual maintenance and \$360,788 in accrued income for National Disaster Financial Assistance relating to the September 2010 floods.

STANDARD BALANCE SHEET - NON CURRENT ASSETS

14	Property, Infrastructure, Plant and Equipment	More than budget by \$155,228,459 which largely relates to the infrastructure asset revaluation of \$164,512,421 that is partially offset by the capital works program being \$8,964,429 under budget.
15	Other	More than budget by \$155,228,459 which largely relates to the infrastructure asset revaluation of \$164,512,421 that is partially offset by the capital works program being \$8,964,429 under budget.

STANDARD BALANCE SHEET - CURRENT LIABILITIES

16	Interest Bearing Liabilities	More than budget by \$313,610 which relates to classification between the current and non current liability.
----	------------------------------	--

STANDARD BALANCE SHEET - NON CURRENT LIABILITIES

17	Payables	Less than budget by \$142,529 and largely relates to the payments for the Cosgrove Landfill.
18	Employee Benefits	More than budget by \$153,953 which relates to a greater than budgeted long service leave liability.

Note	Item	Explanation
------	------	-------------

STANDARD CASH FLOW STATEMENT

19	Receipts from customers	More than budget by \$7,439,382 and includes the early receipt of 2013/14 Victoria Grants Commission funding of \$5,518,624.
20	Interest Received	More than budget by \$362,213 due to the early receipt of 2012/13 Victoria Grants Commission funding of \$5,341,187 being held in investments during 2012/13.
21	Proceeds from sale of property, infrastructure, plant and equipment	More than budget by \$362,213 due to the early receipt of 2012/13 Victoria Grants Commission funding of \$5,341,187 being held in investments during 2012/13.
22	Payments for property, infrastructure, plant and equipment	Less than budget by \$8,964,428 as the capital works program for 2012/13 was less than budgeted.

STANDARD STATEMENT OF CAPITAL WORKS

23	Roads	Less than budget by \$2,260,085 which Includes \$409,035 for Raftery Road reconstruction and \$200,000 for Ferguson Road renewal works which did not commence and developer works including Connolly Estate \$332,000 and Northlinks \$148,215.
24	Drains	Less than budget by \$2,624,539 which Includes expenditure less than budget for Mooroopna West Growth Corridor drainage works \$1,237,488, Urban Drainage renewal works \$606,258 and Rural Drainage renewal works \$268,714.
25	Open Space	Less than budget by \$744,351 which largely relates to Shepparton Sporting Precinct works being \$599,604 less than budget.
26	Plant and Equipment	Less than budget by \$352,605 which largely relates to an underspend in plant renewals \$443,773 due to plant that will be delivered in 2013/14.
27	Waste Management	Less than budget by \$1,769,541 which largely relates the Shepparton Transfer Station works of \$1,740,351 which did not commence.
28	Other	Less than budget by \$987,397. Variances include \$470,579 for general land purchases and \$416,944 for the Safer Cities CCTV Project which did not occur during the financial year.

Certification of the Standard Statements

In my opinion, the accompanying standard statements of Greater Shepparton City Council for the year ended 30 June 2013 have been prepared on accounting bases consistent with the financial statements and in accordance with the *Local Government Act 1989* and the *Local Government (Finance and Reporting) Regulations 2004*.

J Finlayson
PRINCIPAL ACCOUNTING OFFICER

Date: 24/9/13

In our opinion, the accompanying standard statements of Greater Shepparton City Council for the year ended 30 June 2013 have been prepared on accounting bases consistent with the financial statements and in accordance with the *Local Government Act 1989* and the *Local Government (Finance and Reporting) Regulations 2004*.

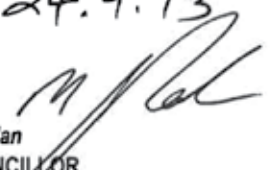

As at the date of signing, we are not aware of any circumstances which would render any particulars in the standard statements to be misleading or inaccurate.

On 24 September 2013 we were authorised by the Council to certify the standard statements in its final form on behalf of the Council.

Auditor's Report

INDEPENDENT AUDITOR'S REPORT

To the Councillors, Greater Shepparton City Council

The Financial Report and Standard Statements

The accompanying financial report for the year ended 30 June 2013 of the Greater Shepparton City Council which comprises comprehensive income statement, balance sheet, statement of changes in equity, statement of cash flows, notes comprising a summary of the significant accounting policies and other explanatory information, and the certification of the financial report has been audited.

The accompanying standard statements for the year ended 30 June 2013 of the Council which comprises standard income statement, standard balance sheet, standard cash flow statement, standard statement of capital works, the related notes and the certification of the standard statements have been audited.

The Councillors' Responsibility for the Financial Report and Standard Statements

The Councillors of the Greater Shepparton City Council are responsible for the preparation and the fair presentation of:

- the financial report in accordance with Australian Accounting Standards, and the financial reporting requirements of the *Local Government Act 1989*
- the standard statements in accordance with the basis of preparation as described in Note 1 to the statements and the requirements of the *Local Government Act 1989*.

The Councillors are responsible for such internal control as the Councillors determine is necessary to enable the preparation and fair presentation of the financial report and standard statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

As required by the *Audit Act 1994* and the *Local Government Act 1989*, my responsibility is to express an opinion on the financial report and standard statements based on the audit, which has been conducted in accordance with Australian Auditing Standards. Those standards require compliance with relevant ethical requirements relating to audit engagements and that the audit be planned and performed to obtain reasonable assurance about whether the financial report and standard statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report and standard statements. The audit procedures selected depend on judgement, including the assessment of the risks of material misstatement of the financial report and standard statements, whether due to fraud or error. In making those risk assessments, consideration is given to the internal control relevant to the entity's preparation and fair presentation of the financial report and standard statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by the Councillors, as well as evaluating the overall presentation of the financial report and standard statements.

Independent Auditor's Report (continued)

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independence

The Auditor-General's independence is established by the *Constitution Act 1975*. The Auditor-General is not subject to direction by any person about the way in which his powers and responsibilities are to be exercised. In conducting the audit, the Auditor-General, his staff and delegates complied with all applicable independence requirements of the Australian accounting profession.

Opinion

In my opinion:

- (a) the financial report presents fairly, in all material respects, the financial position of the Greater Shepparton City Council as at 30 June 2013 and of its financial performance and its cash flows for the year then ended in accordance with applicable Australian Accounting Standards, and the financial reporting requirements of the *Local Government Act 1989*
- (b) the standard statements present fairly, in all material respects, in accordance with the basis of preparation as described in Note 1 to the statements and the requirements of the *Local Government Act 1989*.

Basis of Accounting for Standard Statements

Without modifying my opinion, I draw attention to Note 1 to the standard statements, which describes the basis of accounting. The standard statements are prepared to meet the requirements of the *Local Government Act 1989*. As a result, the standard statements may not be suitable for another purpose.

Matters Relating to the Electronic Publication of the Audited Financial Report and Standard Statements

This auditor's report relates to the financial report and standard statements of the Greater Shepparton City Council for the year ended 30 June 2013 included both in the Greater Shepparton City Council's annual report and on the website. The Councillors of the Greater Shepparton City Council are responsible for the integrity of the Greater Shepparton City Council's website. I have not been engaged to report on the integrity of the Greater Shepparton City Council's website. The auditor's report refers only to the subject matter described above. It does not provide an opinion on any other information which may have been hyperlinked to/from these statements. If users of the financial report and standard statements are concerned with the inherent risks arising from publication on a website, they are advised to refer to the hard copy of the audited financial report and standard statements to confirm the information contained in the website version of the financial report and standard statements.
